Never mix business with pleasure. Never bring politics into the bedroom. In a way I did both when I took Jackson Rutledge as a lover. I can't say I wasn't warned. Two years later, he was back. Walking into a deal I'd worked hard to close. Under the tutelage of Lei Yeung, one of the sharpest businesswomen in New York, I had picked up a thing or two since Jax walked away. I wasn't the girl he once knew, but he hadn't changed. Unlike the last time we'd drifted into each other's lives, I knew exactly what I was dealing with... and how addictive his touch could be. The inner circle of glamour, sex, and privilege was Jax's playground--but this time, I knew the rules of the game. In the cutthroat business world, one adage rules all: keep your enemies close and your ex-lovers closer...

Sophie Morgan is an independent woman in her thirties with a successful journalism career. Intelligent, witty and sarcastic, she could be the girl next door. Except that Sophie is a submissive; in the bedroom she likes to relinquish her power and personal freedom to a dominant man for their mutual pleasure. In the wake of Fifty Shades of Grey, here is a memoir that offers the real story of what it means to be a submissive, following Sophie's story as she progresses from her early erotic experiences through to experimenting with her newfound, awakened sexuality. From the endorphin rush of her first spanking right through to punishments the likes of which she couldn't begin to imagine, she

explains in frank and explicit fashion the road she travels. But it isn't until she meets James that her boundaries are really pushed. As her relationship with him travels into darker and darker places the question becomes- where will it end? Can she reconcile her sexuality with the rest of her life and is it possible for the perfect man to also be perfectly cruel? Racy, controversial, but always warm, fun and astoundingly honest this is a fascinating and thought provoking look at a seemingly paradoxical side to human nature and sexuality that no man or woman will be able to put down.

"Every story has a narrator. Someone who writes it down after it's all over. Why am I the narrator of this story? I am because it is the story of my life—and of the people I love most. . . ." Harry and Madeleine Winslow have been blessed with talent, money, and charm. Harry is a National Book Award–winning author on the cusp of greatness. Madeleine is a woman of sublime beauty and grace whose elemental goodness and serenity belie a privileged upbringing. Bonded by deep devotion, they share a love that is both envied and admired. The Winslows play host to a coterie of close friends and acolytes eager to bask in their golden radiance, whether they are in their bucolic East Hampton cottage, abroad in Rome thanks to Harry's writing grant, or in their comfortable Manhattan brownstone. One weekend at the start of the summer season, Harry and Maddy, who are in their early forties, meet Claire and cannot help but be enchanted by her winsome youth, quiet intelligence, and disarming naivete. Drawn by the Winslows' inscrutable magnetism, Claire eagerly falls into their welcoming orbit. But over the course of the summer, her reverence transforms into a dangerous desire. By Labor Day, it is no longer enough to remain one of their hangers-on. A story of love, lust, deception, and betrayal as seen through the omniscient eyes of Maddy's childhood friend Walter, a narrator akin to Nick Carraway in *The Great Gatsby*, *Indiscretion* is a juicy, richly textured novel filled with fascinating, true-to-life characters—an irresistibly sensual page-turner that explores having it all and the consequences of wanting more. *Indiscretion* also marks the debut of a remarkably gifted writer and storyteller whose unique voice bears all the hallmarks of an exciting new literary talent.

There's a fine line between love and hate and they were about to cross it. My name is Samantha Ross and this is my life. I existed in a world that few know. Rundown trailers and crime-ridden streets were my home. Drugs and alcohol were the norm and happiness was the exception. I lived from day to day never knowing if I would have a roof over my head or food in my stomach. My life sucked. It took from me and gave nothing back. But there was one certainty in my life. A black smudge on my window of hell. Cole Walker. He was a criminal. A thief. He brought hell and damnation with him wherever he went. He hurt and destroyed. He took and gave nothing in return. He was heartache and despair wrapped up in a perfect gorgeous package. Fast cars and fast women were his hobbies. His vices. But he had many. I was one of them. I was his addiction and his craving. His enemy on this earth. I feared him. I hated him. I loved him even more. He would either be my destruction or my salvation... Maybe even both.
