

Egghead Or You Cant Survive On Ideas Alone Bo Burnham

A New York Times Bestseller "Funny, subversive, and able to excavate such brutally honest sentences that you find yourself nodding your head in wonder and recognition." —Lin-Manuel Miranda, composer and lyricist of In the Heights and Hamilton: An American Musical Are you a sensible, universally competent individual? Are you tired of the crushing monotony of leaping gracefully from one lily pad of success to the next? Are you sick of doing everything right? In this brutally honest and humorous debut, musician and artist George Watsky chronicles the small triumphs over humiliation that make life bearable and how he has come to accept defeat as necessary to personal progress. The essays in How to Ruin Everything range from the absurd (how he became an international ivory smuggler) to the comical (his middle-school rap battle dominance) to the revelatory (his experiences with epilepsy), yet all are delivered with the type of linguistic dexterity and self-awareness that has won Watsky devoted fans across the globe. Alternately ribald and emotionally resonant, How to Ruin Everything announces a versatile writer with a promising career ahead.

Netflix's BoJack Horseman has quickly become one of the most critically acclaimed animated comedy series in recent memory. Set in an off-kilter, cynically spun rendering of modern-day Hollywood, the show follows washed-up horse actor BoJack Horseman (voiced by Will Arnett) as he attempts to turn his life around. BoJack Horseman: The Art Before the Horse is the official behind-the-scenes companion to this cult-hit series. Part oral history sourced from original interviews with the show's cast and crew, part art book—including sketches, storyboards, and background art—this book will trace the series from conception to post-production. Beginning with the initial development of creator/ showrunner Raphael Bob-Waksberg and production designer Lisa Hanawalt's inimitable aesthetic vision, The Art Before the Horse goes on to reveal all of the moving parts—direction, writing, casting, animation, and music—that come together to form this uniquely bleak, emotionally potent, very funny show. Also Available: BoJack Horseman 2019 Wall Calendar (ISBN: 978-1-4197-3177-8)

In the spirit of her bestselling series, Pillow Thoughts, Courtney Peppernell returns with a new, empowering collection of poetry and prose. From heartbreak to dreaming of and finding a new love to healing the heart to ultimately finding peace, the themes in this book are universal but also uniquely individual to readers. Just as moving and endearing as Peppernell's previous books, I Hope You Stay is a reminder of the resilience and hope needed after heartache and pain. The book is divided into five sections, with poems ranging from free verse to short form. These words are a light in the deepest hours of the night: Hold on. The sun is coming.

"An unconventional and inventive coming-of-age memoir organized around forty-three remarkable poems by poets such as Robert Frost, Emily Dickinson, Wallace Stevens and Sylvia Plath ... For Jill Bialosky, certain poems stand out like signposts at pivotal moments in a life: the death of a father, adolescence, first love, leaving home, the suicide of a sister, marriage, the birth of a child, the day in New York City the Twin Towers fell ... she illuminates the ways in which particular poems offered insight, compassion, and connection, and shows how poetry can be a blueprint for living"--

Since I was about 12 years old I've been writing these poems. For 27 years now, I've been watching people live their normal everyday lives, and have continued gaining inspiration. I decided it is time to share my pen and paper with you. This is interpretations of things I saw or noticed anything I paid attention to or may have felt. A roller coaster of learned lessons and resolutions. The ups and downs, good times and bad, loss, love, heartbreak, and yes, even a few sexual orientations are some things you should notice through the duration of the book. You will recognize the different emotions reactions as you read the journey of what I call "real life." Where simplicity truly is one of God's greatest gifts. Places of pain, kindness, grief, sorry, happiness, and anger all come together in a glorious state of mind. Perhaps the things that go unseen and not cared about. These words are meant to be taken as inspirational and of good mind. They were written by triumph and faith to try and spread some kind of guidance. Maybe you too, the reader, can experience a portion of life, as told by another, by traveling in your mind down the road of my view on life . I hope that I can touch someone in a special way. Hopefully you can walk away with a different outlook or the knowledge to handle things a little easier and free spirited. Remember, when you feel like there is no one to talk to, no way to show expression, no way to put your voice out there, confide in yourself. We all find in life that at one point or another we are the best thing for ourselves, so turn to a pen and paper and be there for you. Voice your words; from experience I can say its good therapy. However, keep in mind that this book has been based as fiction. My work does not pertain to any real people, only real situations.

The poetry of 2am Thoughts condenses an entire relationship with its untamed emotions and experiences to a single day. As the long hours of the night drag on, so does the love, heartache, and loss. When the dawn breaks, the morning sun brings acceptance, healing, and recovery.

Point Your Face At This is a wonderfully entertaining book of cartoons and absurdity from Demetri Martin, the Perrier Award-winning comedian, and author of This Is A Book If you want to laugh, point your face at this. In his first book, This Is a Book, Demetri Martin introduced fans and readers to his unique brand of long-form humour writing. Now Demetri returns with an eclectic volume devoted entirely to his trademark drawings and word play. Point Your Face At This contains hundreds of hilarious drawings and visual jokes, showcasing Martin's particular penchant for brevity. With a sensibility all its own, this is a great gift book and an absolute must-have for fans of the brainy, ambidextrous, comedian, palindromist (and author), Demetri Martin. Praise for Demetri Martin: 'Highly inventive . . . Martin is a genius' Telegraph 'A refined sense of the absurd' Guardian Demetri Martin rose to relative obscurity when he started doing stand-up comedy in New York City at the end of the 20th Century. Later he became a writer at Late Night with Conan O'Brien and then a regular performer on The Daily Show with Jon Stewart. In 2003, Demetri won the Perrier Award at the International Fringe Festival for his first one-man show, If I. He released a comedy album called These Are Jokes and then created and starred in his own television series called Important Things with Demetri Martin. Demetri has brown hair, and he is allergic to peanuts. Sometimes funny, sometimes serious, mostly absurd collection of poetry and essays from rising comedy star Bo Burnham. Bo Burnham was a teenager living in his parents' attic in Massachusetts when he started posting funny songs to YouTube. They immediately turned heads with their wise satire that belied his very young age. His videos have now been viewed over 209 million times, and he has amassed a gigantic online following that excitedly await each new video. Bo is revered in all comedy circles for being a wholly original, highly intelligent young voice. Judd Apatow was an early champion of the young comedian, and Bo taped his first Comedy Central special at age 18, the youngest in history. His comedy/song albums were huge critical and commercial successes. Written in his very distinctive comedic voice, EGGHEAD: OR, YOU CAN'T SURVIVE ON IDEAS ALONE brings Bo's award-winning brand of brainy word play to the page in the form of off-kilter writings, thoughts, and poems. Collaborating with longtime friend, artist and illustrator Chance Bone, Bo writes about everything from painful breakups to bald barbers, in a collection that makes the reader laugh, but like his stand-up and music, also displays surprisingly mature insights. With one text piece and one original black & white illustration per page, this book will appeal to Bo's already established fans as well as those new to his genius.

A strange and charming collection of hilariously absurd poetry, writing, and illustration from one of today's most popular young comedians ... EGGHEAD: Or, You Can't Survive on Ideas Alone Bo Burnham was a precocious teenager living in his parents' attic when he started posting material on YouTube. 100 million people viewed those videos, turning Bo into an online sensation with a huge and dedicated following. Bo taped his first of two Comedy Central specials four days after his 18th birthday, making him the youngest to do so in the channel's history. Now Bo is a rising star in the comedy world, revered for his utterly original and intelligent voice. And, he can SIIIIIIING! In EGGHEAD, Bo brings his brand of brainy, emotional comedy to the page in the form of off-kilter poems, thoughts, and more. Teaming up with his longtime friend, artist, and illustrator Chance Bone, Bo takes on everything from death to farts in this weird book that will make you think, laugh and think, "why did I just laugh?"

NEW YORK TIMES BESTSELLER "An inspiring story that manages to be painful, honest, shocking, bawdy and hilarious." —The New York Times Book Review From stand-up comedian, actress, and breakout star of Girls Trip, Tiffany Haddish, comes The Last Black Unicorn, a sidesplitting, hysterical, edgy, and unflinching collection of (extremely) personal essays, as fearless as the author herself. Growing up in one of the poorest neighborhoods of South Central Los Angeles, Tiffany learned to survive by making people laugh. If she could do that, then her classmates would let her copy their homework, the other foster kids she lived with wouldn't beat her up, and she might even get a boyfriend. Or at least she could make enough money—as the paid school mascot and in-demand Bar Mitzvah hype woman—to get her hair and nails done, so then she might get a boyfriend. None of that worked (and she's still single), but it allowed Tiffany to imagine a place for herself where she could do something she loved for a living: comedy. Tiffany can't avoid being funny—it's just who she is, whether she's plotting shocking, jaw-dropping revenge on an ex-boyfriend or learning how to handle her newfound fame despite still having a broke person's mind-set. Finally poised to become a household name, she recounts with heart and humor how she came from nothing and nowhere to achieve her dreams by owning, sharing, and using her pain to heal others. By turns hilarious, filthy, and brutally honest, The Last Black Unicorn shows the world who Tiffany Haddish really is—humble, grateful, down-to-earth, and funny as hell. And now, she's ready to inspire others through the power of laughter. EggheadOr, You Can't Survive on Ideas AloneGrand Central Publishing

Let these words guide you home, Let them be your last ray, When everything turns into dust, Let them keep your heart safe. The past is dead and gone; all that have stayed alive are memories in the form of words. Bittersweet Memories is a collection of quotes, micro poems and prose by Parul Nigam. It includes pain, angst and so much love coming straight from the heart of an 18-year-old girl. The book is a refuge for the restless souls out there who are constantly battling with the society and with themselves. This debut is a ray of hope for the people who feel that overcoming their past is impossible. It is a reminder that no matter how bad you've been hurt, there's always light waiting for you to reach the end of the tunnel. Illustrated by Deepa Nigam

The dad joke is a delicate thing. Part knowing humor, part lack of humor, it's only requirement is that it elicits not a laugh from its audience but the annoyed response: "Daaaaaaaaaad." Bad Dad Jokes is the biggest, baddest collection of "so bad they're actually good" jokes that are guaranteed to deliver a daily dose of groans and giggles. Bad Dad Jokes is a one of a kind collection of extraordinary humor in one book. By giving this collection as a gift you will bring humor and lasting memories to events for years to come.

With a new introduction by Pulitzer Prize-winning poet Stephen Dunn, this redesigned and fully reset edition of Complete Poems collects and presents all the poems published or designated for publication by E. E. Cummings in his lifetime. It spans his earliest creations, his vivacious linguistic acrobatics, and through his last valedictory sonnets. Combining Thoreau's controlled belligerence with the brash abandon of an uninhibited Bohemian, Cummings, together with Pound, Eliot, and William Carlos Williams, helped bring about the twentieth-century revolution in literary expression. Today Cummings is recognized as the author of some of the most sensuous lyric poems in the English language as well as one of the most inventive American poets of his time—in the words of Richard Kostelanetz, "the major American poet of the middle-twentieth century." Formally fractured and yet gleefully alive and whole, at once cubistic and figurative, Cummings's work expanded the boundaries of what language is and can do.

Collects poems featuring such topics as love, devotion, rapture, suffering, loss, and the yearning for oneness, from the celebrated thirteenth century Sufi mystic.

The legendary Deep Thoughts and New Yorker humorist Jack Handey is back with his very first novel—a hilarious, absurd, far-flung adventure tale. THE STENCH OF HONOLULU Are you a fan of books in which famous tourist destinations are repurposed as unlivable hellholes for no particular reason? Read on! Jack Handey's exotic tale is full of laugh-out-loud twists and unforgettable characters whose names escape me right now. A reliably unreliable narrator and his friend, who is some other guy, need to get out of town. They have a taste for adventure, so they pay a visit to a relic of bygone days—a travel agent—and discover an old treasure map. She might have been a witch, by the way. Our heroes soon embark on a quest for the Golden Monkey, which takes them into the mysterious and stinky foreign land of Honolulu. There, they meet untold dangers, confront strange natives, kill and eat Turtle People, kill some other things and people, eat another thing, and discover the ruins of ancient civilizations. As our narrator says, "The ruins were impressive. But like so many civilizations, they forgot the rule that might have saved them: Don't let vines grow all over you."

With over 400 jokes to smile, giggle and laugh your way through, 'Best Aussie Jokes' has a joke for nearly every occasion. Laughter is a powerful tonic for our physical and mental health and these jokes will ensure you become the life of the party. So get ready for a book full of belly laughs. A warning: Beware... laughing is addictive!

In February 2017, Gurmehar Kaur, a nineteen-year-old student, joined a peaceful campaign after violent clashes at a Delhi University college. As part of the campaign, Kaur's post made her the target of an onslaught of social media vitriol. Kaur, the daughter of a war martyr, suddenly became the focal point of a nationalism debate. Facing a trial by social media, Kaur almost retreated into herself. But she was never brought up to be silenced. 'Real bullets killed my father. Your hate bullets are deepening my resolve,' she wrote then. Today, Kaur is doubly determined not to be silent. Small Acts of Freedom is her story. This is the story of three generations of strong, passionate single women in one family, women who have faced the world on their own terms. With an unusual narrative structure that crisscrosses elegantly between the past and the present, spanning seventy years from 1947 to 2017, Small Acts of Freedom is about courage. It's about resilience, strength and love. From her grandmother who came to India from Lahore after Partition to the whirlwind romance between her parents, from her father's state funeral to her harrowing experiences since her days of student activism, Gurmehar Kaur's debut is about the fierceness of love, the power of family, and the little acts that beget big revolutions.

Tells the story of a child's abuse at the hands of his alcoholic mother

A hilarious new collection of razor-sharp observations from the New York Times bestselling author of Brain Droppings. Few comics make the transition from stage to page as smoothly or successfully as George Carlin. Brain Droppings spent a total of 40 weeks on the New York Times bestseller list, and this new one is certain to tickle even more ribs (and rattle a few more cages) with its characteristically ironic take on life's annoying universal truths. In Napalm & Silly Putty, Carlin doesn't steer clear of the tough issues, preferring instead to look life boldly in the eye to pose the questions few dare to ask: How can it be a spy satellite if they announce on TV that it's a spy satellite? Why do they bother saying "raw sewage"? Do some people cook that stuff? In the expression "topsy-turvy," what exactly is meant by "turvy"? And he makes some startling observations, including: Most people with low self-esteem have earned it. Guys don't seem to be called "Lefty" anymore. Most people don't know what they're doing, and a lot of them are really good at it. Carlin also waxes wickedly philosophical on all sorts of subjects, including: KIDS--They're not all cute. In fact, if you look at them closely, some of them are rather unpleasant looking. And a lot of them don't smell too good either. DEATH ROW--If you're condemned to die they have to give you one last meal of your own request. What is that all about? A group of people plan to kill you, so they want you to eat something you like? Add to the mix "The Ten Most Embarrassing Songs of All Time," "The 20th Century Hostility Scoreboard," and "People I Can Do Without," and you have an irresistibly insouciant assortment of musings, questions, assertions, and assumptions guaranteed to please the millions of fans waiting for the next Carlin collection--and the millions more waiting to discover this comic genius.

They are our soulmates, our companions, and our friends. They mean more to us than the world will ever know. And when they finally go away, they leave behind... "Paw Prints in the Stars."

Presents a collection of poetry that focuses on love and loss.

The head writer for The Howard Stern Show lives "down" to his raunchy reputation with this hilarious collection of the very best jokes, stories, songs, and one-liners—from the

naughty to the irreverent to the politically incorrect. Here are the gems from the private files from the man infamous for knowing every joke there ever was. In comedy clubs from coast to coast since 1979, "The Joke Man" has dared audiences to start a joke he couldn't finish. Now he takes no prisoners, spares no ethnic or social group, and exhibits not one ounce of good taste in this wildly offensive, outrageously funny collection of dirty jokes.

This wonderfully quirky, laugh out loud book is the PERFECT GIFT for FART lovers of all ages.

From the creator of the beloved and universally acclaimed television series BoJack Horseman, a fabulously off-beat collection of short stories about love—the best and worst thing in the universe. "Complex, daring, emotional, and unique, with notes of melancholic brilliance and an aftertaste of subtle elation: it is hard to describe the writing of Raphael Bob-Waksberg without sounding like Frasier discussing wine." —B. J. Novak, author of One More Thing Written with all the scathing dark humor that is a hallmark of BoJack Horseman, Raphael Bob-Waksberg's stories will make you laugh, weep, and shiver in uncomfortably delicious recognition. In "A Most Blessed and Auspicious Occasion," a young couple engaged to be married is forced to deal with interfering relatives dictating the appropriate number of ritual goat sacrifices for their wedding. "Missed Connection—m4w" is the tragicomic tale of a pair of lonely commuters eternally failing to make that longed-for contact. And in "More of the You That You Already Are," a struggling employee at a theme park of dead presidents finds that love can't be genetically modified. Equally at home with the surreal and the painfully relatable (and both at once), Bob-Waksberg delivers a killer combination of humor, romance, whimsy, cultural commentary, and crushing emotional vulnerability.

Ten-year-old Aldo Zelnick has decided it's fun to be artistic, and when his grandma Goosy gives him a second sketchbook, Aldo fills it with more comic drawings, fun words, and accounts of his extraordinary adventures in everyday life. When Aldo and his best friends, Jack and Bee, find a diamond ring, they can't decide if it's real or fake; but real or not, they can't seem to hold on to it. As the trio hunts for the misplaced ring, they also learn about other countries and cultures. This second installment in an A-to-Z alphabet series includes a glossary of words to help kids broaden their vocabulary.

A sensitive examination of bullying and its psychological roots... the story is fast paced and absorbing. -- Booklist How long would you stand by? What do you do when your best friend is bullied? What do you do if he is a bully? Bystanders Katie and Devan see things very differently, but one thing is clear: Grade 9 life is hard. Told through the voices of Katie and Devan, and bully's target Will's poignant poems, Egghead shows how bullying affects everyone... and that there is more than one side to every story.

Pulitzer-prize-winning poet Mary Oliver collects 26 of her poems about the birds that have been such an important part of her life Within these pages you will find hawks, hummingbirds, and herons; kingfishers, catbirds, and crows; swans, swallows and, of course, the snowy owl, among a dozen others-including ten poems that have never before been collected. She adds two beautifully crafted essays, "Owls," selected for the Best American Essays series, and "Bird," a new essay that will surely take its place among the classics of the genre. In the words of the poet Stanley Kunitz, "Mary Oliver's poetry is fine and deep; it reads like a blessing. Her special gift is to connect us with our sources in the natural world, its beauties and terrors and mysteries and consolations." For anyone who values poetry and essays, for anyone who cares about birds, Owls and Other Fantasies will be a treasured gift; for those who love both, it will be essential reading.

Instant New York Times Bestseller The debut collection of poetry from Lili Reinhart, the actress and outspoken advocate for mental health awareness and body positivity. I seem to be your new favorite novel. One that keeps you up at night, turning my pages. Fingers lingering on me so you don't lose your place. Swimming Lessons explores the euphoric beginnings of young love, battling anxiety and depression in the face of fame, and the inevitable heartbreak that stems from passion. Relatable yet deeply intimate, provocative yet comforting, bite-sized yet profound, Lili's poems reflect her trademark honesty and unique perspective. Accompanied by striking and evocative illustrations, Swimming Lessons reveals the depths of female experience, and is the work of a storyteller who is coming into her own.

Examines the comedian's life, discussing his rapid fame and decline into obscurity.

From the renowned comedian, creator, star and executive producer/multiple title-holder of Comedy Central's Important Things with Demetri Martin comes a bold, original, and rectangular kind of humor book. Demetri's first literary foray features longer-form essays and conceptual pieces (such as Protagonists' Hospital, a melodrama about the clinic doctors who treat only the flesh wounds and minor head scratches of Hollywood action heroes), as well as his trademark charts, doodles, drawings, one-liners, and lists (i.e., the world views of optimists, pessimists and contortionists), Martin's material is varied, but his unique voice and brilliant mind will keep readers in stitches from beginning to end.

Comedian Gabbie Hanna brings levity to the twists and turns of modern adulthood in this exhilarating debut collection of illustrated poetry. In poems ranging from the singsong rhythms of children's verses to a sophisticated confessional style, Gabbie explores what it means to feel like a kid and an adult all at once, revealing her own longings, obsessions, and insecurities along the way. Adulthood announces the arrival of a brilliant new voice with a magical ability to connect through alienation, cut to the profound with internet slang, and detonate wickedly funny jokes between moments of existential dread. You'll turn to the last page because you get her, and you'll return to the first because she gets you.

"A Book I'll Never Write" is an anthology of collected poems from writer Devon Eaton. It is his first published book. The included poems span a wide range of subjects and themes, covering such topics as love, abuse, suicide, poverty, and many many others.
