

Freedom Walkers

A riveting account of the civil rights boycott that changed history by the foremost author of history for young people. Now a classic, Freedman's book tells the dramatic stories of the heroes who stood up against segregation and Jim Crow laws in 1950s Alabama. Full of eyewitness reports, iconic photographs from the era, and crucial primary sources, this work brings history to life for modern readers. This engaging look at one of the best-known events of the American Civil Rights Movement feels immediate and relevant, reminding readers that the Boycott is not distant history, but one step in a fight for equality that continues today. Freedman focuses not only on well-known figures like Claudette Colvin, Rosa Parks, and Martin Luther King Jr., but on the numerous people who contributed by organizing carpools, joining protests, supporting legal defense efforts, and more. He showcases an often-overlooked side of activism and protest--the importance of cooperation and engagement, and the ways in which ordinary people can stand up for their beliefs and bring about meaningful change in the world around them. Freedom Walkers has long been a library and classroom staple, but as interest in the history of protest and the Civil Rights Movement grows, it's a perfect introduction for anyone looking to learn more about the past-- and an inspiration to take action and shape the future. Recipient of an Orbis Pictus Honor, the Flora Stieglitz Straus Award, and the Jane Addams Peace Association Honor Book Award, Freedom Walkers received five starred reviews. A map, source notes, full bibliography, and other backmatter is included.

Traces the events in the Montgomery, Alabama, bus boycott which began in December, 1955, and changed the course of

Online Library Freedom Walkers

the civil rights movement.

Rosa sat so Martin could march. Martin marched so Barack could run. Barack ran so Our children can soar. This is the seed of a unique and inspirational picture book text, that is part historical, part poetry, and entirely inspirational. It symbolically takes the reader through the cumulative story of the US Civil Rights Movement, showing how select pioneers' achievements led up to this landmark moment, when we have elected our first black President. Each historical figure is rendered by a different award-winning African-American children's book illustrator, representing the singular and vibrant contribution that each figure made. Lending historical substance, the back matter includes brief biographies of: George Washington Carver, Jesse Owens, Hattie McDaniel, Ella Fitzgerald, Jackie Robinson, Rosa Parks, Ruby Bridges, Thurgood Marshall, Martin Luther King Jr., Barack Obama. When a nonprofit organization called Save the Girls pairs a fourteen-year-old Sudanese refugee with an American teenager from Richmond, Virginia, the pen pals teach each other compassion and share a bond that bridges two continents.

Covers the events surrounding and including the Montgomery Bus Boycott, the end of segregation on buses.

Christians are often thought of as defending only their own religious interests in the public square. They are viewed as worrying exclusively about the erosion of their freedom to assemble and to follow their convictions, while not seeming as concerned about publicly defending the rights of Muslims, Hindus, Jews, and atheists to do the same. Andrew T. Walker, an emerging Southern Baptist public theologian, argues for a robust Christian ethic of religious liberty that helps the church defend religious freedom for everyone in a pluralistic society. Whether explicitly religious or not, says Walker, every person is striving to make sense of his or her

Online Library Freedom Walkers

life. The Christian foundations of religious freedom provide a framework for how Christians can navigate deep religious difference in a secular age. As we practice religious liberty for our neighbors, we can find civility and commonality amid disagreement, further the church's engagement in the public square, and become the strongest defenders of religious liberty for all. Foreword by noted Princeton scholar Robert P. George.

Presents the life of the Alabama teenager who played an integral role in the Montgomery bus strike, once by refusing to give up a bus seat, and again, by becoming a plaintiff in the landmark civil rights case against the bus company.

The Pulitzer Prize–winning author of *The Color Purple* weaves a “glorious and iridescent” tapestry of interrelated lives in this New York Times bestseller (*Library Journal*). In *The Temple of My Familiar*, Celie and Shug from *The Color Purple* subtly shadow the lives of dozens of characters, all dealing in some way with the legacy of the African experience in America. From recent African immigrants, to a woman who grew up in the mixed-race rainforest communities of South America, to Celie’s own granddaughter living in modern-day San Francisco, all must come to understand the brutal stories of their ancestors to come to terms with their own troubled lives. As Walker follows these astonishing characters, she weaves a new mythology from old fables and history, a profoundly spiritual explanation for centuries of shared African-American experience. This ebook features an illustrated biography of Alice Walker including rare photos from the author’s personal collection. *The Temple of My Familiar* is the 2nd book in the *Color Purple Collection*, which also includes *The Color Purple* and *Possessing the Secret of Joy*. *German Home Towns* is a social biography of the hometown Bürger from the end of the seventeenth to the beginning of the twentieth centuries. After his opening chapters on the

Online Library Freedom Walkers

political, social, and economic basis of town life, Mack Walker traces a painful process of decline that, while occasionally slowed or diverted, leads inexorably toward death and, in the twentieth century, transfiguration. Along the way, he addresses such topics as local government, corporate economies, and communal society. Equally important, he illuminates familiar aspects of German history in compelling ways, including the workings of the Holy Roman Empire, the Napoleonic reforms, and the revolution of 1848. Finally, Walker examines German liberalism's underlying problem, which was to define a meaning of freedom that would make sense to both the "movers and doers" at the center and the citizens of the home towns. In the book's final chapter, Walker traces the historical extinction of the towns and their transformation into ideology. From the memory of the towns, he argues, comes Germans' "ubiquitous yearning for organic wholeness," which was to have its most sinister expression in National Socialism's false promise of a racial community. A path-breaking work of scholarship when it was first published in 1971, *German Home Towns* remains an influential and engaging account of German history, filled with interesting ideas and striking insights—on cameralism, the baroque, Biedermeier culture, legal history and much more. In addition to the inner workings of community life, this book includes discussions of political theorists like Justus and Hegel, historians like Savigny and Eichhorn, philologists like Grimm. Walker is also alert to powerful long-term trends—the rise of bureaucratic states, the impact of population growth, the expansion of markets—and no less sensitive to the textures of everyday life.

Joseph Walker is born into slavery on a Tennessee cotton plantation in 1846, but his circumstances are mitigated by the fact that he lives in the bosom of a loving family, surrounded by a supportive slave community. That all changes when he

Online Library Freedom Walkers

is sold to Jackson Budreau, a Louisiana sugarcane farmer, at the age of nine. Joe's life becomes a living hell, marked by daily aggressions that scar his body and his soul. The advent of the Civil War provides Joe the opportunity to escape from his masters. Hungry for justice but lacking allies or resources, he joins the Union army and literally fights his way to freedom. After the war, Joe goes in search of his family and, after some trials, he reunites with his older brother, Amos. Together, they migrate west in search of the spoils of freedom, but Walker's violent past follows him like a dragging chain. Walker's Way follows Joe Walker's journey from slavery to freedom and self-determination. Along the way, he becomes a soldier, a settler, a cowboy, and a bounty hunter. Although a fictional account, Walker's Way reflects the real-life stories of thousands of enslaved people who were "set free" after the Civil War to pursue lives of uncertainty and deprivation. Their courage, stamina, and ingenuity have gone largely unchronicled in mainstream history books. It is important that we reclaim their stories and tell them again and again, lest we forget who they were and their vital role in shaping the American identity.

The Pulitzer Prize-winning novel that tells the story of two sisters through their correspondence. With a new Preface by the author.

"Unflinchingly honest and jubilantly hopeful, this is nonfiction storytelling at its best." — Publishers Weekly (starred review)

Mention the civil rights era in Alabama and most people recall images of terrible violence. But for the citizens of Huntsville, creativity, courage, and cooperation were the keys to working together to integrate their city and schools in peace. This engaging celebration of a lesser-known chapter in American and African-American history shows how racial discrimination, bullying, and unfairness can be faced successfully with perseverance and ingenuity.

Online Library Freedom Walkers

The civil rights movement was arguably the most important reform in American history. This book recounts the extraordinary and often bloody story of how tens of thousands of ordinary African-Americans overcame long odds to dethrone segregation, to exercise the right to vote and to improve their economic standing. Organized in a clear chronological fashion, the book shows how concerted pressure in a variety of forms ultimately carried the day in realizing a more just society for African-Americans. It will provide students of American history with an invaluable, comprehensive introduction to the Civil Rights Movement. This book empowers teachers to support student activists. The authors examine arguments for promoting student activism, explore state and national curriculum standards, suggest activist projects, and report examples of student individual and group activism. By offering suggestions for engaging students as activists across the K-12 curriculum and by including the stories of student activists who became lifetime activists, the book demonstrates how activism can serve to bolster democracy and be a component of rich, experiential learning. Including interviews with student and teacher activists, this volume highlights issues such as racial and immigrant justice, anti-gun violence, and climate change. In the third installment of Haddix's series about a futuristic society in which families are forbidden to have more than two children, Nina, a secondary character in *Among the Impostors*, is falsely accused of treason and imprisoned by the Population Police. Her interrogator gives her an ultimatum: either she can get three other child prisoners, illegal third-borns like Nina, to reveal who harbored them and where they got their fake identification cards, or she will be executed. Nina sees a chance to escape the prison and, taking the prisoners with her, quickly discovers their street smarts. But when their food supply runs out, Nina seeks the

boy she knew as Lee.

'Walker is my name and I am the same. Riddley Walker. Walking my riddels where ever theyve took me and walking them now on this paper the same. There aint that many sir prizes in life if you take noatis of every thing. Every time will have its happenings out and every place the same. Thats why I finely come to writing all this down. Thinking on what the idear of us myt be. Thinking on that thing whats in us lorn and loan and oansome.' Composed in an English which has never been spoken and laced with a storytelling tradition that predates the written word, RIDDLEY WALKER is the world waiting for us at the bitter end of the nuclear road. It is desolate, dangerous and harrowing, and a modern masterpiece.

Freedom Walkers
The Story of the Montgomery Bus
Boycott
Holiday House Publishing

In 1963, the streams of religious revival, racial strife, and cold-war politics were feeding the swelling river of social unrest in America. Marshaling massive forces, civil rights leaders were primed for a widescale attack on injustice in the South. By summer the conflict rose to great intensity as blacks and whites clashed in Birmingham. Outside the massive drive, Bill Moore, a white mail carrier, had made his own assault a few months earlier. Jeered and assailed as he made a solitary civil rights march along the Deep South highways, he was ridiculed by racists as a "crazy man." His well publicized purpose: to walk from Chattanooga to Jackson and hand-deliver a plea for racial tolerance to Ross Barnett, the staunchly segregationist governor of Mississippi. On April 23, on a highway near Attalla, Alabama, this lone crusader was shot dead. Although he was not a nobly ideal figure handpicked by shapers of the movement, inadvertently he became one of its earliest martyrs and, until now, part of an overlooked chapter in the history of the civil rights movement.

Online Library Freedom Walkers

Floyd Simpson, a grocer and a member of the Gadsden, Alabama chapter of the Ku Klux Klan, was charged with Moore's murder. A week later, a white college student named Sam Shirah led five black and five white volunteers into Alabama to finish Moore's walk. They were beaten and jailed. Four other attempts to complete the postman's quest were similarly stymied. Moore had kept a journal that detailed his goal. Using it, along with interviews and extensive newspaper and newsreel reports, Mary Stanton has documented this phenomenal freedom walk as seen through the eyes of Moore, Shirah, and the gunman, the three protagonists. Though all shared a deep love of the South, their strong feelings about who was entitled to walk its highways were in deadly conflict.

"The future vision of a soon-to-be emancipated 19th century Negress."--Prelim. leaf.

In the days before microphones and TV interviews, getting people to listen to you was not an easy task. But James Madison used his quiet eloquence, intelligence and passion for unified colonies to help shape the Constitution, steer America through the turmoil of two wars, and ensure that our government, and nation, remained intact. "An excellent, fascinating, indispensable resource." —Kirkus Reviews, pointer review "The book is rich in the sort of detail that illuminates the man, but is not limited to personal information; a great deal of government history is woven into the biography." —Horn Book, starred review "Fritz has given a vivid picture of the man and an equally vivid picture of the problems that faced the leaders of the new nation in the formative years." —The Bulletin of the Center for Children's Books, starred review "Young readers will feel like they know the 'Great Little Madison' very well." —School Library Journal

The story of a determined Ojibwe Grandmother (Nokomis) Josephine-ba Mandamin and her great love for Nibi (water).

Online Library Freedom Walkers

Nokomis walks to raise awareness of our need to protect Nibi for future generations, and for all life on the planet. She, along with other women, men, and youth, have walked around all the Great Lakes from the four salt waters, or oceans, to Lake Superior. The walks are full of challenges, and by her example Josephine-ba invites us all to take up our responsibility to protect our water, the giver of life, and to protect our planet for all generations.

The Navy SEAL, humanitarian and best-selling author of *The Heart and the Fist* draws on ancient wisdom and personal experience to counsel readers on how to promote personal resilience and overcome obstacles through positive action. 100,000 first printing.

A graphic novel biography of the escaped slave, abolitionist, public speaker, and most photographed man of the nineteenth century, based on his autobiographical writings and speeches, spotlighting the key events and people that shaped the life of this great American. Recently returned to the cultural spotlight, Frederick Douglass's impact on American history is felt even in today's current events. Comic book writer and filmmaker David F. Walker joins with the art team of Damon Smyth and Marissa Louise to bring the long, exciting, and influential life of Douglass to life in comic book form. Taking you from Douglass's life as a young slave through his forbidden education to his escape and growing prominence as a speaker, abolitionist, and influential cultural figure during the Civil War and beyond, *The Life of Frederick Douglass* presents a complete illustrated portrait of the man who stood up and spoke out for freedom and equality. Along the way, special features provide additional background on the history of slavery in the United States, the development of photography (which would play a key role in the spread of Douglass's image and influence), and the Civil War. Told from Douglass's point of view and based on his own writings, *The*

Online Library Freedom Walkers

Life of Frederick Douglass provides an up-close-and-personal look at a history-making American who was larger than life. First published in 1829, Walker's Appeal called on slaves to rise up and free themselves. The two subsequent versions of his document (including the reprinted 1830 edition published shortly before Walker's death) were increasingly radical. Addressed to the whole world but directed primarily to people of color around the world, the 87-page pamphlet by a free black man born in North Carolina and living in Boston advocates immediate emancipation and slave rebellion. Walker asks the slaves among his readers whether they wouldn't prefer to "be killed than to be a slave to a tyrant." He advises them not to "trifle" if they do rise up, but rather to kill those who would continue to enslave them and their wives and children. Copies of the pamphlet were smuggled by ship in 1830 from Boston to Wilmington, North Carolina, Walker's childhood home, causing panic among whites. In 1830, members of North Carolina's General Assembly had the Appeal in mind as they tightened the state's laws dealing with slaves and free black citizens. The resulting stricter laws led to more policies that repressed African Americans, freed and slave alike. A DOCSOUTH BOOK. This collaboration between UNC Press and the University of North Carolina at Chapel Hill Library brings classic works back into print. DocSouth Books editions are selected from the digital library of Documenting the American South and are unaltered from the original publication. The DocSouth series uses digital technology to offer e-books and print-on-demand publications, providing affordable and accessible editions to a new generation of scholars, students, and general readers. They had the right stuff. They defied the prejudices of the time. And they blazed a trail for generations of women to follow. What does it take to be an astronaut? Excellence

at flying, courage, intelligence, resistance to stress, top physical shape -- any checklist would include these. But when America created NASA in 1958, there was another unspoken rule: you had to be a man. Here is the tale of thirteen women who proved that they were not only as tough as the toughest man but also brave enough to challenge the government. They were blocked by prejudice, jealousy, and the scrawled note of one of the most powerful men in Washington. But even though the Mercury 13 women did not make it into space, they did not lose, for their example empowered young women to take their place in the sky, piloting jets and commanding space capsules. ALMOST ASTRONAUTS is the story of thirteen true pioneers of the space age. Back matter includes an author's note, an appendix, further reading, a bibliography, sources, source notes, and an index. Newbery Honor author Rodman Philbrick sends readers rushing down a raging river on a life-or-death adventure when a white water rafting trip goes terribly wrong! Daniel Redmayne is fast asleep on the first night of a white water rafting trip, when he's awoken by screams. The dam has failed. The river is surging, and their camp will be under water in a matter of moments. As the shrieking roar of the river rushes closer, the kids scramble to higher ground. They make it; their counselors do not. Now they're on their own, with barely any food or supplies, in the middle of the Montana wilderness. Do Daniel and his four classmates have what it takes to stay alive until they can get rescued? Alone in the wild, they forge powerful bonds -- but develop dangerous disagreements. If nature doesn't break them,

they might just destroy each other. This gripping survival story from the Newbery Honor author of *Wildfire* is filled with adrenaline-pumping adventure and moments of true bravery.

This New York Times bestselling cookbook from Danielle Walker presents 125 recipes for grain-free, dairy-free, and gluten-free comfort food dishes for holidays and special occasions. **NAMED ONE OF THE FIVE BEST GLUTEN-FREE COOKBOOKS OF ALL TIME BY MINDBODYGREEN** When people adopt a new diet for health or personal reasons, they worry most about the parties, holidays, and events with strong food traditions, fearing their fond memories will be lost along with the newly eliminated food groups. After suffering for years with a debilitating autoimmune disease and missing many of these special occasions herself, Danielle Walker has revived the joy that cooking for holidays can bring in *Danielle Walker's Against All Grain Celebrations*, a collection of recipes and menus for twelve special occasions throughout the year. Featuring a variety of birthday cakes, finger foods to serve at a baby or bridal shower, and re-creations of backyard barbecue standards like peach cobbler and corn bread, Danielle includes all of the classics. There's a full Thanksgiving spread—complete with turkey and stuffing, creamy green bean casserole, and pies—and menus for Christmas dinner; a New Year's Eve cocktail party and Easter brunch are covered, along with suggestions for beverages and cocktails and the all-important desserts. Recipes can be mixed and matched among the various occasions, and many of the dishes are simple enough for

everyday cooking. Stunning full-color photographs of every dish make browsing the pages as delightful as cooking the recipes, and beautiful party images provide approachable and creative entertaining ideas. Making recipes using unfamiliar ingredients can cause anxiety, and while trying a new menu on a regular weeknight leaves some room for error, the meal simply cannot fail when you have a table full of guests celebrating a special occasion. Danielle has transformed her most cherished family traditions into trustworthy recipes you can feel confident serving, whether you're hosting a special guest with food allergies, or cooking for a crowd of regular grain-eaters.

Mary Edwards Walker (1832-1919) defied the conventions of her era. Born and raised on a farm in Oswego, New York, Walker became one of a handful of female physicians in the nation--and became a passionate believer in the rights of women. Despite the derision of her contemporaries, Walker championed freedom of dress. She wore slacks--or "bloomers" as they were popularly known--rather than the corsets and voluminous ground-dragging petticoats and dresses she believed were unhygienic and injurious to health. She lectured and campaigned for woman's suffrage and for prohibition, and against tobacco, traditional male-dominated marriage vows, and any issue involving the sublimation of her sex. From the outset of the Civil War, Walker volunteered her services as a physician. Despite almost universal opposition from army commanders and field surgeons, Walker served at Manassas, Fredericksburg, Chancellorsville, Chickamauga, and

Online Library Freedom Walkers

other bloody theaters of the war. She ministered to wounded and maimed soldiers and civilians on both sides of the conflict. Captured by Confederates near Chattanooga in 1864, she served four months in a Southern prison hellhole where she nursed and tended to wounded prisoners of war. For her services in the war, in 1865 Mary Edwards Walker was awarded the Medal of Honor, becoming the only woman in American history to receive the nation's highest award for military valor. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied. The lives of two sisters--Nettie, a missionary in Africa, and Celie, a southern woman married to a man she hates--are revealed in a series of letters exchanged over thirty years

Covers the events surrounding and including the Montgomery bus boycott, the end of segregation on buses.

The story of one African-American family fighting to stay together and strong in the face of brutal racist attacks, illness, poverty, and betrayal in the Deep South of the 1930s.

This compelling and poignant volume, illustrated with arresting black-and-white photographs from the period, is sure to be an essential addition to the civil rights canon. Source notes, map, bibliography, index.

Feeling jealous when a new sibling arrives, little Elmore Green becomes frustrated when the "small person" knocks over his things and licks his jelly-bean collection until a special night when their relationship changes. By the award-winning author

of the Charlie and Lola series.

Now adapted for readers ages 12 and up, the award-winning biography that examines Parks's life and 60 years of radical activism and brings the civil rights movement in the North and South to life Rosa Parks is one of the most well-known Americans today, but much of what is known and taught about her is incomplete, distorted, and just plain wrong. Adapted for young people from the NAACP Image Award—winning *The Rebellious Life of Mrs. Rosa Parks*, Jeanne Theoharis and Brandy Colbert shatter the myths that Parks was meek, accidental, tired, or middle class. They reveal a lifelong freedom fighter whose activism began two decades before her historic stand that sparked the Montgomery bus boycott and continued for 40 years after. Readers will understand what it was like to be Parks, from standing up to white supremacist bullies as a young person to meeting her husband, Raymond, who showed her the possibility of collective activism, to her years of frustrated struggle before the boycott, to the decade of suffering that followed for her family after her bus arrest. The book follows Parks to Detroit, after her family was forced to leave Montgomery, Alabama, where she spent the second half of her life and reveals her activism alongside a growing Black Power movement and beyond. Because Rosa Parks was active for 60 years, in the North as well as the South, her story provides a

broader and more accurate view of the Black freedom struggle across the twentieth century. Theoharis and Colbert show young people how the national fable of Parks and the civil rights movement—celebrated in schools during Black History Month—has warped what we know about Parks and stripped away the power and substance of the movement. *The Rebellious Life of Mrs. Rosa Parks* illustrates how the movement radically sought to expose and eradicate racism in jobs, housing, schools, and public services, as well as police brutality and the over-incarceration of Black people—and how Rosa Parks was a key player throughout. Rosa Parks placed her greatest hope in young people—in their vision, resolve, and boldness to take the struggle forward. As a young adult, she discovered Black history, and it sustained her across her life. *The Rebellious Life of Mrs. Rosa Parks* will help do that for a new generation.

Told in a step-by-step account of the 24 hours leading up to the battles that sparked the American revolution, this picture book is sure to both inform and entertain. On April 18th at 9:30 p.m. Paul Revere learned that the British Army was marching toward Lexington and Concord to arrest rebel leaders. At 5:20 the next morning, a shot rang out and the American Revolution had begun. In less than 24 hours a rebellious colony would be changed forever.

They were black and white, young and old, men and women. In the spring and summer of 1961, they put their lives on the line, riding buses through the American South to challenge segregation in interstate transport. Their story is one of the most celebrated episodes of the civil rights movement, yet a full-length history has never been written until now. In these pages, acclaimed historian Raymond Arsenault provides a gripping account of six pivotal months that jolted the consciousness of America. The Freedom Riders were greeted with hostility, fear, and violence. They were jailed and beaten, their buses stoned and firebombed. In Alabama, police stood idly by as racist thugs battered them. When Martin Luther King met the Riders in Montgomery, a raging mob besieged them in a church. Arsenault recreates these moments with heart-stopping immediacy. His tightly braided narrative reaches from the White House--where the Kennedys were just awakening to the moral power of the civil rights struggle--to the cells of Mississippi's infamous Parchman Prison, where Riders tormented their jailers with rousing freedom anthems. Along the way, he offers vivid portraits of dynamic figures such as James Farmer, Diane Nash, John Lewis, and Fred Shuttlesworth, recapturing the drama of an improbable, almost unbelievable saga of heroic sacrifice and unexpected triumph. The Riders were widely criticized as reckless provocateurs, or

"outside agitators." But indelible images of their courage, broadcast to the world by a newly awakened press, galvanized the movement for racial justice across the nation. Freedom Riders is a stunning achievement, a masterpiece of storytelling that will stand alongside the finest works on the history of civil rights.

Dominant Skin Walker, Monroe StoneCrow's mate, Eden, has been injured in an attack on the Estate. Not only does Eden not have any memory of Monroe or their children, but she believes she is in a relationship with another and is asking that the man be brought to the Estate. For the good of his Angel, Monroe will comply with doctor's orders to acquiesce to Eden's wishes; however, watching another male soothe his mate just might prove to be the one thing Monroe is unequipped to handle, especially while his Estate is still reeling. After receiving a call that one of his females has been marked by the enemy Megalya, Monroe orders Walker Sentry, Delain, to take Harlow EnemyHunter from the Estate and claim her. Harlow belongs to another Walker though and opting to keep Commander Remy McCabe's claim on her a secret could be the worst mistake Harlow's ever made. Now, her only hope is that Remy will return to the Estate and find her in time.
