A profound truth of the wild, and the world at large, is that we are a part of it, not owners of it. Is there any animal we love and hate as much as the Royal Bengal Tiger? Tigers are feared and poached, but they also endure, becoming pin-ups for candlelight marches. Indian elephants are trapped by railway lines and fences, but are reclaiming their bodies and colonizing new areas in central India. And in our dirty cities, the sparkling Plain Tiger Butterfly flourishes as one of our last links to wildlife. Wild animals exist beyond our control. They are harmless, only occasionally dangerous. They live with us, or in spite of us. Those who know them understand that wild animals require acceptance for what they are, not enslavement for what we want them to be. In this

book, we meet fifteen iconic Indian species in need of conservation and heart. The author explores what these creatures need, and how they exert agency and decision-making. With an equal emphasis on human and animal, science and skilled prose, Wild and Wilful reveals the magic of the wild in our daily lives. It will take you from fear to wonder.

It is now over two decades since the Hindi-film heroine drove the vamp into extinction, and even longer since the silver screen was ignited by the true Bollywood version of a cabaret. Yet, Helen – nicknamed ‘H-Bomb’ at the height of her career – continues to rule the popular imagination. Improbably, for a dancer and a vamp she has become an icon. Jerry Pinto’s gloriously readable book is a study of the phenomenon that was Helen: Why did a refugee of French-Burmese parentage succeed as wildly as she did in mainstream Indian cinema? How could otherwise conservative families sit through, and even enjoy, her ‘cabarets’? What made Helen ‘the desire that you need not be embarrassed about feeling’? How did she manage the unimaginable: vamp three generations of men on screen? Equally, the book is a brilliantly witty and provocative examination of middle-class Indian morality; the politics of religion, gender and sexuality in popular culture; and the importance of the song, the item number and the wayward woman in Hindi cinema.

What is it like to be known as Mansoor Ali Khan Pataudi's daughter? Or to have a mother as famous as Sharmila Tagore? Or to be recognized as Saif Ali Khan's sister?

Or as Kareena Kapoor's sister-in-law? And where do I stand among them? Actor Soha Ali Khan's debut book is at heart a brilliant collection of personal essays where she recounts with self-deprecating humour what it was like growing up in one of the most illustrious families of the country. With never before published photos from her family's archives, *The Perils of Being Moderately Famous* takes us through some of the most poignant moments of Soha's life—from growing up as a modern-day princess and her days at Balliol College to life as a celebrity in the times of social media culture and finding love in the most unlikely of places—all with refreshing candour and wit.

The romance of Stephanie Perkins meets the quirk of Maureen Johnson, then gets a Bollywood twist in this fate-filled debut that takes the future into its own hands. Winnie Mehta was never really convinced that Raj was her soul mate, but their love was written in the stars. Literally, a pandit predicted Winnie would find the love of her life before her eighteenth birthday, and Raj meets all the qualifications. Which is why Winnie is shocked when she returns from her summer at film camp to find her boyfriend of three years hooking up with Jenny Dickens. As a self-proclaimed Bollywood expert, Winnie knows this is not how her perfect ending is scripted. Then there's Dev, a fellow film geek and one of the few people Winnie can count on. Dev is smart and charming, and he challenges Winnie to look beyond her horoscope and find someone she'd pick for herself. But does falling for Dev mean giving up on her prophecy and her chance to live happily ever after? To find her perfect ending, Winnie will need a little bit of help from

fate, family, and of course, a Bollywood movie star. AN NPR BEST BOOK OF THE YEAR "A delightful and humorous debut."--Kirkus Reviews, Starred review "The perfect timepass for both the Bollywood-obsessed and filmi (melodrama) novices."-Teen Vogue

About the Book Every success story has its price to pay. So did Shatrughan Sinha (SS) who achieved the impossible twice over. The youngest and the most pampered in a family of academics and doctors where four sons were named after the four brothers of the Ramayan, SS stood out defiantly different. He was born for applause and the limelight; he was besotted with Raj Kapoor and cinema. In the face of stiff opposition from disciplinarian father Bhuvaneshwar Prasad Sinha, mother Shyama Devi's chhutka bauwa (little darling) set out for the Film Institute of India (now FTII) in Poona. Bombay was the next logical destination. Without Kapoorian good looks or any connection with the Hindi film industry, the unknown scarface from Patna went on to create history on celluloid. In politics too, with no known surname or family to power his entry, he set a record as the first film star from India to be sworn-in as a Cabinet Minister. Quotes Anything But Khamosh: The Shatrughan Sinha Biography, is a rivetingly honest read that retraces the hurrahs and heartaches of India's most popular Bihari Babu. "Do not attempt to change him. The Kama Sutra Of Vatsyayana

As a film-maker and film historian, B.D. Garga has closely witnessed and participated in the growth of Indian cinema from the early 1940s. With more than fifty years' experience as a film journalist, and having served on various national and international film festival juries, he is probably India's foremost authority on the subject of cinema. In this extraordinary collection of essays, Garga delves into the vast repertoire of his scholarship and experience to provide an insider's view of Indian and international cinema over the years. Even as he discusses the contribution of men behind the screen—the director, editor, cinematographer—he profiles some of the greatest masters of Indian cinema, like Himansu Rai and P.C. Barua, Bimal Roy and Raj Kapoor, while critically analysing some classic films from the golden era of cinema in India—Devdas (1935) and Sant Tukaram (1936) to Mother India (1957) and Mughal-e-Azam (1960). Embellished with over forty exquisite and vintage photographs from the author's private collection, The Making of Great Cinema also contains fascinating essays that highlight the contribution of the Soviet masters to international cinema; address important issues like film censorship, sex in Indian films and the relationship between film and politics; and provide a memorable account of the origins of cinema in India

and the country's many cinematic milestones.

Shyam Benegal is one of India's major film directors. A career spanning more than forty years includes documentaries and television programs as well as over twenty feature films. From his first feature film, *Ankur*, to recent work like *Zubeidaa*, Benegal has always combined social analysis with aesthetic pleasure. These lively and engaging interviews cover Benegal's life and work and, in doing so, present a history of Indian cinema.

From the heart of a well-known family of Hyderabad to life in a single room with the barest of necessities, Shaukat Kaifi's memoir of her life with the renowned poet Kaifi Azmi speaks of love and commitment. A marriage of over a half a century, a life steeped in poetry and progressive politics, continuing involvement with the Indian People's Theatre Association, the Progressive Writers Association, Prithvi Theatre... all of these and more inform this beautifully told tale of love. Shaukat Kaifi's writing details life in a communist commune, a long career in theatre and film and a life spent bringing up her two children, cinematographer Baba Azmi and actor Shabana Azmi. Nasreen Rehman's deft and fluent translation brings this luminous memoir alive with warmth and

empathy. "To say that this is a lovely book would be an understatement. It is an enchanting recollection of the life of a hugely talented and sensitive human being, shared with a great poet." -- Amartya Sen. Published by Zubaan.

Foreword by Mahesh Bhatt 'A remarkable story'-Tina Ambani Growing up on the fringes of our capital city, Gulshan Grover moved to Mumbai to pursue a career in acting in the 1970s. At a time when most wannabe actors held out for the lead, he made a conscious choice to opt for villainous roles. He went on to portray many memorable characters, with a career-defining role in the 1989 blockbuster, Ram Lakhan, that established him firmly as the 'Bad Man' of Bollywood. Many a mainstream potboiler of the era rode to success on his trademark one-liners and grotesque get-ups that have become part of Bollywood folklore. He subsequently moved on to the international arena, among the first actors from Mumbai to do so, in the process becoming one of India's more recognizable faces in international cinema. In this autobiography, Grover tells his story-the films, the journey, the psychological and personal toll of sustaining the 'bad man' image, the competition among Bollywood's villains, the move to playing more rounded characters, and the challenge of doing international films without relocating to another country or opting out of mainstream Hindi cinema.

India's top Bollywood biographer tells the uncensored story of Sanjay's roller-coaster life Ð from the tragic deaths of both his mother and his first wife to the time he smuggled heroin into the US and from the painful rehab he had to go through to his curious phone calls to gangster Chhota Shakeel.

A remarkable life story rooted in two different worlds, *Unfinished* offers insights into Priyanka Chopra Jonas's childhood in India; her formative teenage years in the United States; and her return to India, where against all odds as a newcomer to the pageant world, she won the national and international beauty competitions that launched her global acting career. Karan Johar is synonymous with success, panache, quick wit, and outspokenness, which sometimes inadvertently creates controversy and makes headlines. KJo, as he is popularly called, has been a much-loved Bollywood film director, producer, actor, and

Asha Parekh was to the movies born. Ever since she was knee-high, she faced the camera as a child artiste, while performing simultaneously at dance fetes. An alumna of Bombay's The J. B. Petit Girls' High School, she devoted after-school hours to learning classical dance from exacting gurus. Given a break as a leading lady by Filmalaya Studio's Sashadhar Mukherjee, she debuted opposite Shammi Kapoor in the romantic entertainer Dil Deke Dekho. Instantaneously, the audience and the critics agreed: "A star is born." Followed a concatenation of silver and golden jubilee hits, which established her as the quintessential Hit Girl. Possessed of all the requisites of the cinema of the 1960s and the '70s – felicity at instinctive acting, intricate dance skills and the ability to invest conviction into the roles of zestful, glamour-exuding film heroines – she made an impact, too, with parts demanding gravitas. Apart from films in Hindi, she has also acted in films in Gujarati, Punjabi and a film in Kannada. The Mumbai film trade, to date, acknowledges her as one of the heroines with the highest

number of successes. Her innumerable dance ballets on stage have earned her untold acclaim, at home and overseas. Among her other facets, she has been involved since decades in running a charitable hospital. She was Chairperson of the Central Board of Film Certification (1998-2001) and has been associated with the Cine and TV Artistes' Associations and other organisations dedicated to the welfare of film industry workers, technicians and actors. She turned producer and director with several top TRP-rated TV serials like 'Kora Kagaz' and 'Palash ke Phool' and programmes like 'Baaje Paayal'. Currently she has chosen to retire from acting, but adds, "Never say never." She lives by the famed Juhu shoreline in Mumbai.

transforms a 'savage' (jungle) who yells 'Yahoo!' before singing and dancing like Elvis, creating a new youth culture; Pyaasa, dramatically shot in black and white film with haunting songs as the romantic poet suffers for his art in the material world; Fans of Bollywood film can debate Rachel Dwyer's personal selection of these 101 titles while those new to the area will find this an invaluable introduction to the best of the genre. Against all odds, she successfully made a life in cinema on her own terms. Filled with compelling anecdotes and astute observations, this is a riveting slice of film history that provides a rare view of a much-adored and award-winning screen legend. Full of wit and delicious observations, Mrs Funnybones captures the life of the modern Indian woman a woman who organizes dinner each evening after having been at work all day, who runs her own life but has to listen to her mummyji, who worries about her weight and the state of the country. * Tiger populations the world over are endangered* A unique look at individual tigers and family groups* Written and photographed by a former government official, actress and photographer well-versed in Ranthambhore's more remote locationsRanthambhore National Park is a vast wildlife reserve in Rajasthan, northern India. It is a former royal hunting ground and home to tigers, leopards and marsh crocodiles. Its landmarks - both natural and manmade - include the imposing 10th-century Ranthambhore Fort, the Ganesh Mandir temple, and Padam Talao Lake, known for its abundance of water lilies. It is one of the world's finest places to view wildlife. The Park is also a crucial tiger habitat. As

Rhajasthan's former Minister for Tourism, as well as for Forests and the Environment, Bina Kak had unprecedented access to the Park. There she focused on individual tigers, tigresses, and tiger families. Her stunning photographs include views not easily accessible or are completely unavailable to other photographers, and will certainly appeal to conservationists, environmentalists, travelers, those interested in nature photography, or anyone engaged with the future of these magnificent animals.

I am Lakshmi Prasad, native of Bitihar. I am doing PhD on a very important subject "Mating habits of gay chimpanzees in West Africa" at PANU University, the best University in India and possibly the best University in the world. My idols are "Faizal Guru", "Janab Kasab Sahib", "Focus Carat", "Baba Badkar", "Zakir Nalayak", "Gharkha Dutt", "Dr. Kana Ayyub" and all PhD students who had committed suicide since they failed to solve their PhD problems. I personally feel that, all deprived Indians should automatically be awarded a PhD degree coupled with a free pension of 1 lakh rupees/month to be delivered in cash via post at door step. Till then we are going to fight for azaadi from India. Imagine a day, when no PhD student would have to commit suicide, imagine a day, when no lower caste will be humiliated by upper caste, s/he can use his/her doctorate degree and force others to call him/her Dr. X, Dr. Y ,etc.

'Raat baaki, baat baaki... Hona hai jo, ho jaane do...' Sensuous, glamorous and bold, Parveen Babi set the Hindi cinema screen ablaze during the 1970s and '80s, breaking the 'pious, nice girl' mould of the film heroine and redefining it after her own style. On screen, she sizzled in unforgettable roles in blockbusters like *Deewaar*, *Shaan*, *Kaalida* and *Amar Akbar Anthony* – while, off-screen, her bohemian and unabashed lifestyle lit up gossip columns, and her appearance on the cover of *Time* magazine, a first for an Indian, created a stir nationwide. Yet, for all the sensational rumours and films her life inspired, Parveen has remained

something of an enigma to generations of fans. In *Parveen Babi: A Life*, Karishma Upadhyay traces the journey of a shy but ambitious girl from an aristocratic family in Junagadh, Gujarat, to a life of merciless scrutiny that comes with being in the Bollywood spotlight. Exploring with depth and sensitivity the myriad facets of the actress's life, she lays bare little-known details about Parveen's doomed romances, her obsession with the spiritual guide who advised her to quit films, the tumultuous years of battling mental illness and her tragic, untimely demise. Rich with insights from the star's friends, former lovers and colleagues, this compelling narrative captures the nuances of an extraordinary life – the highs and lows of finding fame, love and solace, and then, in the end, losing it all.
