

One Of Us Is Lying

“A gripping and atmospheric contemporary thriller.” —Kirkus Reviews “Complex, captivating, and gorgeously written.” —Karen M. McManus, New York Times bestselling author of *One of Us Is Lying* We Were Liars meets *Goodbye Days* in this thrilling debut novel that sweeps readers away as they try to solve the mystery of what happened then to make Ellory so broken now. It’s hard to find the truth beneath the lies you tell yourself. Then: They were four—Bex, Jenni, Ellory, Ret. (Venus. Earth. Moon. Sun.) Electric, headstrong young women; Ellory’s whole solar system. Now: Ellory is alone, her once inseparable group of friends torn apart by secrets, deception, and a shocking incident that changed their lives forever. Then: Lazy summer days. A party. A beautiful boy. Ellory met Matthias and fell into the beginning of a spectacular, bright love. Now: Ellory returns to Pine Brook to navigate senior year after a two-month suspension and summer away—no boyfriend, no friends. No going back. Tormented by some and sought out by others, troubled by a mysterious note-writer who won’t let Ellory forget, and consumed by guilt over her not entirely innocent role in everything and everyone she’s lost, Ellory finds that even in the present, the past is everywhere. The path forward isn’t a straight line. And moving on will mean sorting the truth from the lies—the lies Ellory has been telling herself.

Voted America's Best-Loved Novel in PBS's *The Great American Read* Harper Lee's Pulitzer Prize-winning masterwork of honor and injustice in the deep South—and the heroism of one man in the face of blind and violent hatred One of the most cherished stories of all time, *To Kill a Mockingbird* has been translated into more than forty languages, sold more than forty million copies worldwide, served as the basis for an enormously popular motion picture, and was voted one of the best novels of the twentieth century by librarians across the country. A gripping, heart-wrenching, and wholly remarkable tale of coming-of-age in a South poisoned by virulent prejudice, it views a world of great beauty and savage inequities through the eyes of a young girl, as her father—a crusading local lawyer—risks everything to defend a black man unjustly accused of a terrible crime.

From the author of *One of Us Is Lying* comes a brand-new pulse-pounding thriller. It's Ferris Bueller's Day Off with murder when three old friends relive an epic ditch day, and it goes horribly—and fatally—wrong. Ivy, Mateo, and Cal used to be close. Now all they have in common is Carlton High and the beginning of a very bad day. Type A Ivy lost a student council election to the class clown, and now she has to face the school, humiliated. Heartthrob Mateo is burned out from working two jobs since his family’s business failed. And outsider Cal just got stood up . . . again. So when the three unexpectedly run into each other, they decide to avoid their problems by ditching. Just the three of them, like old times. Except they’ve barely left the parking lot before they run out of things to say. . . . until they spot another Carlton High

student skipping school—and follow him to the scene of his own murder. In one chance move, their day turns from dull to deadly. And it's about to get worse. It turns out Ivy, Mateo, and Cal still have some things in common...like a connection to the dead kid. And they're all hiding something. Could it be that their chance reconnection wasn't by chance after all? The Liberal Rednecks—a Southern-based stand-up comedy group known for their scathing political satire—celebrate all that's good about Dixie while leading a progressive revolution toward a New South. The American South is home to some of the best music, cuisine, athletics, whiskey, and weather the country has to offer, but its reputation as a haven for its “right-wing, Bible-beatin’, assault-rifle-totin’” citizens precedes it—and, according to the Liberal Rednecks, rightfully so. Yet, as they explain it, the situation in the South is far more complex than “hypocritical, nose-up-in-the-air Yankees” give it credit for. And they should know—they are native sons. Whip-smart, hilarious, and incisive, the Liberal Rednecks are lifelong, down-home Southern boys who aren't afraid to call out the outdated traditions and intolerant attitudes of their native land—while also shining a proud light on the most misunderstood region of the country. Their mission: to provide a manifesto for young progressives south of the Mason-Dixon line to rise up and claim their homeland—without abandoning the best of their culture. Exploring race, class, guns, religion, drug addiction, alcoholism, and homophobia, the Liberal Rednecks tell it like it is while challenging stereotypes at every turn. Fresh, funny, and surprising, The Liberal Redneck Manifesto gives us a vision of Dixieland as it exists now—and what it could become.

It's time to say NO to trying to fit square-peg kids into round holes, and YES to raising them from a place of acceptance and joy. Today millions of kids are stuck in a world that doesn't embrace who they really are. They are the one in five "differently wired" children with ADHD, dyslexia, giftedness, autism, anxiety, or other neurodifferences, and their challenges are many. And for the parents who love them, the challenges are just as numerous, as they struggle to find the right school, the right support, the right path. But now there's hope. *Differently Wired* is a revolutionary book—weaving together personal stories and a tool kit of expert advice from author Deborah Reber, it's a how-to, a manifesto, and a reassuring companion for parents who can so often feel that they have no place to turn. At the heart of *Differently Wired* are 18 paradigm-shifting ideas—what the author calls "tilts," which include how to accept and lean in to your role as a parent (#2: Get Out of Isolation and Connect). Deal with the challenges of parenting a differently wired child (#5: Parent from a Place of Possibility Instead of Fear). Support yourself (#11: Let Go of Your Impossible Expectations for Who You "Should" Be as a Parent). And seek community (#18: If It Doesn't Exist, Create It). Taken together, it's a lifesaving program to shift our thinking and actions in a way that not only improves the family dynamic, but also allows children to fully realize their best selves. "In this generous and urgent book, Deborah Reber lets the light in. She helps parents see that they're not alone, and even better, delivers a positive action plan that will change lives."—Seth Godin, author of *Linchpin* "Differently Wired will help parents of children who think differently to accept their child for who they are and facilitate their successful development."—Temple Grandin, author of *Thinking in Pictures* and *The Autistic Brain*

And now she has to go back to Fayette--to Wyatt Stokes, sitting on death row; to Lori Cawley, Callie's dead cousin; and to the one other person who may be hiding the truth. Only, the closer Tessa gets to what really happened, the closer she gets to a killer--and this time, it won't be so easy to run away." -- Page [4] cover.

Early town settlers fought off monstrous creatures in the woods, and whispers that the creatures still exist keep the Downings and their neighbors from venturing too far. When some townsfolk go missing on a trip to fetch supplies, a heavy unease settles over the Falls. Strange activities begin to plague the town, and as the seasons change, it's clear that something is terribly wrong. The creatures are real, and they're offering to fulfill the residents' deepest desires, however grand, for just a small favor. These seemingly trifling demands, however, hide sinister intentions. Soon Ellerie finds herself in a race against time to

stop Amity Falls, her family, and the boy she loves from going up in flames.

In this "brave and heartbreaking novel that digs its claws into you and doesn't let go, long after you've finished it" (Anna Todd, New York Times bestselling author) from the #1 New York Times bestselling author of All Your Perfects, a workaholic with a too-good-to-be-true romance can't stop thinking about her first love. Lily hasn't always had it easy, but that's never stopped her from working hard for the life she wants. She's come a long way from the small town where she grew up—she graduated from college, moved to Boston, and started her own business. And when she feels a spark with a gorgeous neurosurgeon named Ryle Kincaid, everything in Lily's life seems too good to be true. Ryle is assertive, stubborn, maybe even a little arrogant. He's also sensitive, brilliant, and has a total soft spot for Lily. And the way he looks in scrubs certainly doesn't hurt. Lily can't get him out of her head. But Ryle's complete aversion to relationships is disturbing. Even as Lily finds herself becoming the exception to his "no dating" rule, she can't help but wonder what made him that way in the first place. As questions about her new relationship overwhelm her, so do thoughts of Atlas

Corrigan—her first love and a link to the past she left behind. He was her kindred spirit, her protector. When Atlas suddenly reappears, everything Lily has built with Ryle is threatened. An honest, evocative, and tender novel, *It Ends with Us* is “a glorious and touching read, a forever keeper. The kind of book that gets handed down” (USA TODAY).
