

Saunders Nclex Rn 6th Edition

This truly unique, bestselling review and preparation resource offers the perfect combination of core content review, practice questions with comprehensive rationales, and detailed test-taking strategies and tips. Throughout the book, you'll find Linda Silvestri's hallmark Pyramid to Success learning features, which highlight key information, and more than 1,000 high-quality review questions that mirror the latest NCLEX-PN® test plan. The companion CD contains all of the questions from the book, plus over 2,600 additional practice questions in a flexible electronic format that allows you to customize your study experience and focus on those areas you need to review the most. Twelve pharmacology chapters, a medication and intravenous calculation chapter, and a pediatric medication administration chapter prepare you for the increase in pharmacology questions on the exam. 3,700 practice questions in the text and companion CD provide ample testing practice in both print and electronic format. Covers all types of alternate item format questions, including prioritizing, decision-making, and critical thinking to help you prepare for this crucial component of the exam. UNIQUE! The companion CD offers 3,700 practice questions that you can answer in both a study mode and an exam mode, as well as the option to answer only alternate item format questions or focus on questions in a specific area of nursing content, client needs, nursing process, or cognitive level. UNIQUE! Linda Silvestri's hallmark test-taking strategies for each question offer important clues for analyzing and uncovering the correct answer option. UNIQUE! Page references to Mosby or Saunders textbooks provide specific resources for further study and self-remediation. Each question is categorized by cognitive level, client needs area, integrated process, and clinical content area to allow you to focus on your area of weakness. Pyramid Terms at the beginning of each chapter give you a quick preview of key content. Pyramid Points throughout the content outlines highlight content that typically appears on the exam. Pyramid to Success sections at the beginning of each chapter or major unit of the book provide an overview of the chapter, guidance and direction regarding the focus of review in each content area, and its relative importance to the most recent NCLEX-PN® text plan. A comprehensive exam in the text features 85 questions related to all content areas and parallels the percentages identified in the NCLEX-PN® test plan. Completely updated content reflects the April 2008 NCLEX-PN® test plan, so you can be sure you're using the most current information to prepare for the exam. A user-friendly, 2-color design helps you focus your studying on the most important information. Additional illustrations visually demonstrate key concepts to help improve your retention and recall for the exam. Audio questions on heart and lung sounds familiarize you with this anticipated new type of alternate item format question.

Using an engaging, interactive, 1-2-3 approach, this text helps you develop problem-solving skills that will be useful throughout your nursing career. Active participation and application of critical thinking are utilized through questions, quizzes, and self-assessments to provide you with practical and efficient aids to learning. You will also discover learning strategies, tips on taking the NCLEX-PN®, guidance on the job search, and an in-depth discussion of supervision, delegation, assignment of tasks, and the distinctions among them. An LPN Threads Series title. UNIQUE! 1-2-3 approach in a clear, simple, engaging writing style instructs you in what you need to do and how to do it. UNIQUE! Learning Exercises challenge you to imagine, visualize, and think outside the box. UNIQUE! Leadership Activities provide exercises to practice and develop leadership skills and Leadership Hints provide helpful pointers to follow and remember when in various leadership situations. UNIQUE! Management Tools and Management Hints provide practical instructions, resources, and tips to use when in a management situation. UNIQUE! Offers time-management tips to help prioritize. Integrates wellness and personal care throughout the text, including information and coping skills for stress management and burnout, nutrition and exercise, the impaired nurse, and co-dependency. Includes separate chapters on "Ethics Apply to Nursing" and "Nursing and the Law" that address pertinent legal and ethical issues that directly and indirectly affect LPN/LVNs. Features information on Medicare and the many changes that affect health care, including health care settings, medication coverage, and the costs of managed care. Includes a separate chapter on learning strategies for the adult student and updated approaches for traditional and returning students. A separate chapter on critical thinking and many critical thinking exercises promotes the development of critical thinking and problem solving skills in both academic and personal situations. Includes updated State Boards of Nursing and Internet Resources Appendixes with the most up-to-date addresses for nursing boards and website addresses for nursing, medical, and health-related information as an all-in-one ready resource for you as you prepare to enter the work world. UNIQUE! Keep In Mind boxes located in each chapter introduce readers to the underlying theme in the chapter. UNIQUE! Evolve Student Resources includes 230 NCLEX Exam-Style Interactive Questions per chapter, with correct response and rationales for both correct and incorrect responses, to encourage self-study and review. UNIQUE! The "Learning During School, for the NCLEX-PN, and Beyond" chapter includes new content on the role of simulation in nursing education and etiquette for electronic device use, such as cell phones and iPods. UNIQUE! The "Personal Health Promotion" chapter helps you provide a positive role model for patients with new content on MyPyramid, the benefits of exercise, personal steps to help prevent hospital-acquired infections, burnout versus stress, and tips for personal safety. UNIQUE! Culture content has been expanded content addressing the growing needs of patient care for special populations and to help students develop cultural sensitivity. Includes the latest protocols from NAPNES regarding standards of practice and educational competencies that LPN/LVN nursing students need to know.

Recently Acquired! Designed for the current NCLEX-PN Test Plan, this comprehensive PN/VN review is easy-to-read, clear and concise. Topics include: Management Principles & Legal Issues Nurs Who says preparing for the NCLEX® has to be boring? Using colorful illustrations and fun mnemonic cartoons, the Illustrated Study Guide for the NCLEX-RN® Exam, 10th Edition brings the concepts found on the NCLEX-RN to life! This new edition is written in a concise outline format to make studying easier, and the Evolve companion website includes approximately 2,500 NCLEX exam-style review questions (including alternate item formats) — allowing you to create practice exams, identify personal strengths and weaknesses, and review answers and rationales. With new content covering culture and spirituality, this study guide gives you a robust, visual, less-intimidating way to remember key facts for the NCLEX exam. 2,500 review questions are now included on the Evolve companion website, adding more 200 questions to the total on the previous edition. UNIQUE! Mnemonic cartoons provide a fun, easy way to review and remember key nursing concepts and disease processes. UNIQUE! The integrated systems approach incorporates pediatric, adult, and older adult lifespan considerations in each body system chapter. UNIQUE! Appendixes for each chapter summarize medications and nursing procedures for quick reference. Alternate item format questions on Evolve prepare you for the interactive question types on the NCLEX examination, including priority drag-and-drop and hot-spot (illustrated point-and-click) questions. Test Alert! boxes in the book highlight key concepts frequently found on the NCLEX examination. Answers and rationales for all review questions show why correct answers are right and incorrect options are wrong. Separate chapters on pharmacology and nursing management help students to focus on these areas of emphasis on the NCLEX examination. Nursing Priority boxes make it easier for students to distinguish priorities of nursing care. Pharmacology tables make key drug information easy to find, with high-alert medications noted by a special icon. Special icons distinguish pediatric and adult disorders, and identify content on Self-Care and Home Care. NEW! UPDATED content reflects the most recent NCLEX-RN® test plan and incorporates important clinical updates. NEW! 25 additional illustrations and mnemonics make the book more appealing than ever to the visual learner. NEW! Chapter on Culture and Spiritual Awareness addresses the addition of Culture and Spirituality to the Integrated Processes in the NCLEX test plan. NEW! Nursing Management and Ethical/Legal concepts divided into two chapters emphasize the increasing amount of administrative duties nurses face and the importance of management of care on the NCLEX. NEW! Priority Concepts added to the beginning of each chapter assist you in concept-based nursing programs in focusing on priority concepts for each

chapter.

Ulrich & Canale's Nursing Care Planning Guides, 8th Edition Revised Reprint with 2021-2023 NANDA-I® Updates - E-Book

Now in full color, this comprehensive Eighth Edition nursing text continues to meet the needs of practical/vocational nursing curriculum as one coherent source. Broad coverage includes anatomy and physiology; nursing process, growth and development; nursing skills; and, pharmacology. A solid foundation is also provided for medical-surgical, maternity, pediatric, and psychiatric-mental health nursing. Step-by-step procedures are formatted in two-column presentation with rationale and numerous illustrations to show clearly all aspects of nursing procedures. Appendixes provide English-Spanish healthcare phrases, key abbreviations and acronyms, and more. Other new features include a section on study skills and home health care mentioned throughout the text. Now with three multimedia CD-ROMs : an audio pronunciation CD-ROM a clinical simulation of wound care of the diabetic patient a bonus CD-ROM containing a simulated NCLEX-PN exam; a clinical simulation on whistleblowing; a full video on treatment of pressure ulcers; and six animations cell cycle, congestive heart failure, hypertension, immune response, nerve synapse, and stroke

NCLEX-RN REVIEW MADE INCREDIBLY EASY, 6E is designed to help nursing students prepare to take the licensing examination. The book blends critical content review in an easy-to-follow and bulleted format, pharmacology tables that summarize core medication information, and thousands of questions covering all the Client Need categories of NCLEX and the major content areas of pre-licensure programs. The book is divided into seven parts. Part I explains the basics of NCLEX test construction and gives ideas to students about how they should prepare. Parts II to V are designed to support the four major content areas of pre-licensure programs: medical-surgical, psychiatric/mental health, maternity, and pediatric nursing. Within these four sections, each begins with a bulleted content review of essential concepts, followed by multiple questions and answers in a side-by-side format. Part VI, "Issues in Nursing," emphasizes content areas that do not easily fall in any of the other sections: management/supervision and ethical/legal issues. Part VII consists of two comprehensive tests. One contains 75 questions (the minimum number of items any student taking the NCLEX RN will receive) and the other contains 265 questions (the maximum number of items any student taking the NCLEX RN will receive). The product offers more than 3,000 questions that prompt active learning and higher-order thinking. The questions align with the National Council of State Boards of Nursing (NCSBN) 2019 RN test plan and are written in the style used on the licensing examination. Other features include the use of all the types of alternate-format questions found on the licensing examination, detailed rationales for both correct and incorrect answers, and information about the NCLEX-RN. An accompanying code gives student access to a 7-day free trial of Lippincott PassPoint-RN.

With questions on the front and answers on the back, these review cards are a valuable study aid when preparing for the NCLEX-RN. Over 300 NCLEX-style questions presented in multiple choice as well as the new alternate-format provide answers with rationales to help students understand the reasoning behind each answer. 384 cards.

This easy-to-read outline review follows the unique two-column Straight A's format that lets students choose how they study for NCLEX® and course exams. The interior column outlines key facts for in-depth review; the exterior column lists only the most crucial points for quickest review. Other features include NCLEX®-style questions at the beginning and end of each chapter; lists of top items to study before a test; Time-Out for Teaching patient-teaching points; Go with the Flow algorithms; and critical information highlighted in a second color. A bound-in CD-ROM contains hundreds of NCLEX®-style questions—including alternate-item format questions—with answers and rationales.

Often called the 'the best NCLEX® exam review book ever,' Saunders Comprehensive Review for the NCLEX-RN® Examination provides everything you need to prepare for the NCLEX exam — complete content review and over 5,100 NCLEX examination-style questions in the book and online. Don't make the mistake of assuming the quality of the questions is the same in all NCLEX exam review books, because only this book includes the kind of questions that consistently test the critical thinking skills necessary to pass today's NCLEX exam. Even better, all answers include detailed rationales to help you learn from your answer choices, as well as test-taking strategies with tips on how to best approach each question. Written by the most trusted name in NCLEX review, Linda Anne Silvestri, and updated to reflect the most current NCLEX test plan, Comprehensive Review for the NCLEX-RN® Examination, 6th Edition is THE book of choice for NCLEX examination review. But don't just take our word for it — read any customer review or ask your classmates to see why there's nothing else like it! UNIQUE! A detailed test-taking strategy and rationale is included for each question, offering clues for analyzing and uncovering the correct answer option, and guiding you to remediation in Saunders Strategies for Test Success: Passing Nursing School and the NCLEX® Exam and Saunders Comprehensive Review for the NCLEX-RN® Exam. UNIQUE! Priority Nursing Action boxes list actions for clinical emergent situations requiring immediate action, including a detailed rationale and textbook reference. All alternate item-format questions are included, with multiple response, prioritizing, fill-in-the-blank, figure/illustration, chart/exhibit, video, and audio questions to provide practice with prioritizing, decision-making, and critical thinking skills. UNIQUE! Pyramid Alert! boxes spotlight important nursing concepts and procedures, and include tips and shortcuts for remembering key information. Exam preparation chapters include test-taking strategies, the CAT format, transitional issues for the foreign-educated nurse, and the NCLEX-RN exam from a new graduate's perspective. A comprehensive exam consists of 85 questions that cover all content areas in the book and mirror the percentages identified in the NCLEX-RN examination test plan. NEW and UNIQUE! A summary of key changes to the 2013 NCLEX-RN test plan is included in the front of the book. New! More practice questions have been added to the book and online, bringing the total to 5,172 questions. New! Tracking of practice results on the Evolve companion website makes it easy to check your progress.

Prepare for success on the NCLEX-RN® exam with the review book written for Canadian nursing students! Elsevier's Canadian Comprehensive Review for the NCLEX-RN® Examination, 2nd Edition provides everything you need to prepare for the NCLEX® exam — complete content review and more than 5,000 NCLEX examination-style questions in the book and online. Proving that not all NCLEX exam review books are the same, only this book includes the kinds of questions that consistently test the critical thinking skills needed to pass today's NCLEX exam. In addition, all answers include detailed rationales and test-taking strategies with tips on how to best approach each question. From Canadian editors Patricia Bradley and Karin Page-Cuttrara, and NCLEX review experts Linda Anne Silvestri and Angela Silvestri, this edition integrates Canadian approaches to nursing, making this the only comprehensive review text written from a fully Canadian perspective. It's THE book of choice for NCLEX preparation! More than 5,000 practice questions in the text and online offer ample testing practice. UNIQUE! Detailed test-taking strategy and rationale is included for each question, offering clues for analyzing and uncovering the correct answer option. UNIQUE! Priority Nursing Action boxes provide information about the steps you will take in clinical situations requiring clinical judgement and prioritization. UNIQUE! Pyramid Points icons indicate important information, identifying content

that typically appears on the NCLEX-RN® examination. UNIQUE! Pyramid Alerts appear in red text and highlight important nursing concepts. UNIQUE! Priority Concepts — two in each chapter — discuss important content and nursing interventions. New graduate's perspective is offered on how to prepare for the NCLEX-RN, in addition to nonacademic preparation, the CAT format, and test-taking strategies. Mnemonics are included to help you remember important information. 75-question comprehensive exam covers all content areas in the book in the same percentages that they are covered on the actual NCLEX-RN test plan. Practice questions on delegation, prioritization, and triage/disaster management emphasize these areas on the NCLEX exam. Companion Evolve website provides 25 new Next Generation NCLEX® (NGN)-style questions plus all alternate item format questions including multiple response, prioritizing (ordered response), fill-in-the-blank, figure/illustration (hot spot), chart/exhibit, video, and audio questions. Question categories on Evolve are organized by cognitive level, client needs area, integrated process, and content area, allowing completely customizable exams or study sessions. UNIQUE! Audio review summaries on Evolve cover pharmacology, acid-base balance, and fluids and electrolytes.

Davis's Q&A Review for the NCLEX-RN® gives you an overview of the latest test plan and outlines the test-taking strategies you need to prepare for the exam. Practice questions guide you through all of the content covered on the NCLEX, while two comprehensive exams test mastery of all subject areas covered on the NCLEX exam.

Get everything you need to review for the NCLEX-PN® exam from one trusted source! With over 4,500 high-quality review questions, this unique, bestselling review and preparation guide offers the perfect combination of core content review, comprehensive rationales, and detailed test-taking strategies from the NCLEX expert herself: Linda Silvestri. Updated to reflect the latest NCLEX-PN test plan, this new edition and companion Evolve website help you hone your understanding of all the important NCLEX-PN content areas. Full-color design makes for a more visually engaging learning experience. 12 pharmacology chapters address the emphasis on pharmacology questions on the NCLEX-PN exam. Priority Nursing Actions boxes outline and explain clinical emergent situations requiring immediate action, including detailed rationales and textbook references to help you strengthen prioritizing skills in clinical and testing situations. Pyramid Alert boxes reinforce learning of essential content frequently tested on the NCLEX-PN exam. Reference to a Mosby or Saunders textbook gives you resources for further study and self-remediation. Question codes categorize each question by cognitive level, client needs area, integrated process, clinical content area, and priority concepts to allow you multiple study and exam selections on the companion Evolve site. Inclusion of all alternate item formats (multiple response, ordered response, fill-in-the-blank, figure, chart/exhibit, audio, and video questions) offers practice with mastering prioritizing, decision-making, and critical thinking skills, and help prepare you for this additional component of the new test plan for NCLEX-PN. Pyramid to Success sections supply an overview of the chapter, guidance and direction regarding the focus of review in the content area, and its relative importance to the most recent NCLEX-PN test plan. Pyramid Points identify content that typically appears on the NCLEX-PN exam. Pyramid Terms give you a quick review of each content area. Introductory chapters on preparation guidance for the NCLEX-PN, nonacademic preparation, test-taking strategies, the CAT format, and the NCLEX-PN are presented from a new graduate's perspective. Companion Evolve site allows for automatic software updates to allow you to check for changes and updates to content or functionality throughout the life of the edition. NEW! 4,500 test questions on the book and Evolve site. NEW! Incorporates the new NCLEX-PN test plan to familiarize you with newly added content you may encounter on the exam. A detailed test-taking strategy for each question gives you clues for analyzing and uncovering the correct answer option. Rationales are provided for both correct and incorrect options. Special text highlights specific test-taking strategies, and specific content areas in the practice questions provide you with guidance on what topics to review for further remediation in Saunders Strategies for Test Success: Passing Nursing School and the NCLEX® Exam and Saunders Comprehensive Review for the NCLEX-PN® Exam. Comprehensive exam consists of 85 questions related to all content areas in the book to represent the percentages identified in the NCLEX-PN test plan. NEW! Critical thinking What Would You Do? boxes keep you thinking as you review content. Answers at the end of the chapter reference an Elsevier book for further remediation. NEW! Testlet questions familiarize you with a new alternative item format question type expected to appear on future NCLEX test plans. NEW! Priority concept codes added to each question reinforce the concept-based teaching method.

This title includes additional digital media when purchased in print format. For this digital book edition, media content is not included.

30-day trial to TruCode® Encoder Essentials gives you experience with using an encoder, plus access to additional encoder practice exercises on the Evolve website. ICD-10-CM and ICD-10-PCS Official Guidelines for Coding and Reporting provide fast, easy access to instructions on proper application of codes. Coverage of both common and complex procedures prepares you for inpatient procedural coding

using ICD-10-PCS. Numerous and varied examples and exercises within each chapter break chapters into manageable segments and help reinforcing important concepts. Illustrations and examples of key diseases help in understanding how commonly encountered conditions relate to ICD-10-CM coding. Strong coverage of medical records provides a context for coding and familiarizes you with documents you will encounter on the job. Illustrated, full-color design emphasizes important content such as anatomy and physiology and visually reinforces key concepts.

Saunders 2020-2021 Strategies for Test Success - E-Book

Review Guides/Certification Prep/Pocket Guides

Saunders Comprehensive Review for the NCLEX-RN Examination Saunders

Learn facility-based coding by actually working with codes. ICD-10-CM/PCS Coding: Theory and Practice provides an in-depth understanding of in-patient diagnosis and procedure coding to those who are just learning to code, as well as to experienced professionals who need to solidify and expand their knowledge. Featuring basic coding principles, clear examples, and challenging exercises, this text helps explain why coding is necessary for reimbursement, the basics of the health record, and rules, guidelines, and functions of ICD-10-CM/PCS coding. UPDATED ICD-10 codes and coding guidelines revisions ensure students have the most up-to-date information available. 30-day access to TruCode® encoder on the Evolve companion website provides students realistic practice with using an encoder. UPDATED codes for Pancreatitis, Diabetic Retinopathy, Fractures, GIST Tumors, Hypertension and Myocardial Infarctions. ICD-10-CM and ICD-10-PCS Official Guidelines for Coding and Reporting provide fast, easy access instruction on proper application of codes. Coverage of both common and complex procedures prepares students for inpatient procedural coding using ICD-10-PCS. Numerous and varied examples and exercises within each chapter break chapters into manageable segments and help students gauge learning while reinforcing important concepts. Illustrations and examples of key diseases help in understanding how commonly encountered conditions relate to ICD-10-CM coding. Strong coverage of medical records provides a context for coding and familiarizes students with documents they will encounter on the job. Illustrated, full-color design emphasizes important content such as anatomy and physiology and visually reinforces key concepts.

With more than 5,800 test questions, Saunders Q&A Review for the NCLEX-RN® Examination, 5th Edition provides the practice you need to succeed on the NCLEX-RN exam. To enhance your review, each question includes a test-taking strategy, rationales for correct and incorrect answers, and page references to major nursing textbooks. The companion Evolve website adds a pre-test to help in identifying any areas of weakness, and lets you answer questions in quiz, study, or exam mode. Written by NCLEX review expert Linda Anne Silvestri, this book organizes questions to match the Client Needs and Integrated Processes found in the most recent NCLEX-RN test plan. This review is part of the popular Saunders Pyramid to Success, which has helped more than 1.5 million nurses pass the NCLEX exam! A detailed test-taking strategy is included for each question, providing clues for analyzing and selecting the correct answer. Rationales are provided for both correct and incorrect answer options. Questions categorized by Cognitive Level, Client Needs area, Integrated Process, and clinical content area help you focus on the question types you find most difficult. All alternate item format questions (multiple response, prioritizing, fill-in-the-blank, figure/illustration (hot spot), audio, video, and chart/exhibit) are included. Chapters organized by Client Needs simplify your review and reflect the question mix in the NCLEX-RN® test plan blueprint. A 85-question comprehensive exam represents the content and percentages of question types identified in the NCLEX-RN test plan. Preparation for your NCLEX-RN review includes chapters on nonacademic preparation, test-taking strategies, the CAT format, and a view of the NCLEX-RN from a new graduate's perspective. Page references to Elsevier textbooks direct you to remediation material for any question answered incorrectly. A companion Evolve website includes a pre-test to help in identifying any areas of weakness, and lets you answer questions in quiz, study, or exam mode. Automatic updates of the Evolve site allow you to check for changes to content or functionality throughout the life of the edition. Content from the most recent NCLEX-RN® test plan covers the newest topics you could see on the exam. 600 questions are added, for a total of 5,800 in the book and on the companion Evolve website. Hundreds of new alternate item format questions provide even more opportunity for practice. A Priority Nursing Tip is included with each question, providing important patient care information. A full-color design and over 20 new figures enhance understanding and increase the book's visual appeal. Review format includes chapters on how to study for and take the NCLEX examination, and includes a test for each Client Need category, a test on Integrated Processes, and a comprehensive test for practice in answering questions from all areas. A new content-area index makes it easier to find questions and review a given disorder/topic.

Based on student feedback, Saunders Q&A Review for the NCLEX-PN® Examination is organized to address specific Client Needs and Integrated Processes to mirror the NCLEX-PN test plan. This review follows Silvestri Comprehensive Review as the natural next step for students in the Silvestri suite of products. It contains 3,200 practice questions—including Alternate Item Format—that include comprehensive rationales for both correct and incorrect options, test-taking strategies, and a textbook page reference for further explanation. This title includes additional digital media when purchased in print format. For this digital book edition, media content may not be included. Remediation tied directly back to your Elsevier textbooks provides resources for further study. Content is organized according to Client Needs, providing an organized review for exam preparation and end-of-course or exit standardized exams. Practice questions, answers, and detailed rationales all appear on the same page, giving you immediate feedback on your responses. Detailed test-taking strategies for each question give you clues for analyzing and uncovering the correct answer option. Rationales are provided for both correct and incorrect options. Provides computerized testing practice in study, quiz, or exam modes, to allow you to choose from 21 different content categories and focus your study sessions. Each question is categorized by level of cognitive ability, Client Needs area, integrated process, and clinical content area to allow you multiple study and exam selections. Contains chapters on academic and nonacademic NCLEX-PN preparation, advice from a recent nursing graduate, and test-taking strategies that help you understand complicated exam questions. Comprehensive exam consists of 85 questions related to all content areas in the book and representative of the percentages identified in the NCLEX-PN test plan.

Now in its Third Edition, this book meets the needs of practical/vocational nurses and nursing faculty, as they work together to smooth the transition from the LPN to the RN role. The text provides interactive student exercises and strategies to "socialize" the LPN nurse/student into an RN program, taking into consideration its philosophy and curricular framework. This Third Edition includes an expanded chapter on communication and a new chapter on the NCLEX®.

It's a fun, visual review for the NCLEX! Illustrated Study Guide for the NCLEX-RN® Exam, 8th Edition covers all the nursing concepts and content found on the latest NCLEX-RN examination. A concise outline format makes studying easier, and 2,300 NCLEX exam-style review questions (including alternate item formats) are included to test your knowledge at the end of each chapter and on the Evolve companion website. Written by NCLEX expert JoAnn Zerwekh, this study guide uses colorful illustrations and mnemonic cartoons to help you remember key concepts for the NCLEX-RN exam. UNIQUE! Mnemonic cartoons provide a fun, easy way to review and remember key nursing concepts and disease processes. UNIQUE! The integrated systems approach incorporates pediatric, adult, and older adult lifespan considerations in each body system chapter. UNIQUE! Appendixes for each chapter summarize medications and nursing procedures for quick reference. Electronic alternate item format questions on Evolve prepare you for the interactive question types on the computerized NCLEX examination, including priority drag-and-drop and hot-spot (illustrated point-and-click) questions. Practice questions on the Evolve companion website are available in both study and quiz modes and separated by content area, allowing you to create a customized review experience based on your personal study needs. Answers

and rationales for all review questions show why correct answers are right and incorrect options are wrong. NEW! 2,300 review questions are now included on the Evolve companion website. Two NEW alternate item question types are added: graphic options and questions incorporating audio. UPDATED content reflects the latest NCLEX-RN test plan and incorporated important clinical updates. NEW! Page references to an Elsevier textbook are provided with each question, for further study and self-remediation. NEW! Disorder names are highlighted in color in the index for quick reference. EXPANDED coverage of management of care reflects the increased percentage of this content on the NCLEX-RN test plan.

Help alleviate your pre-test jitters with this essential nursing resource! Written by the most trusted experts in NCLEX® prep, Saunders 2020-2021 Strategies for Test Success, 6th Edition introduces tools for overcoming text anxiety and tactics for developing effective study habits. Essentially, it teaches you how to master the things that matter most on your nursing school exams: critical thinking, problem solving, and time management. This essential guide features over 1,200 practice questions and rationales to help you tackle anything from a routine quiz to the NCLEX. It also includes a wealth of proven tips and real-world hints to help you confidently evaluate and identify the correct answer for a variety of test question types, including alternate item formats. Plus, additional questions on the Evolve website gives you even more preparation material! 1,200 review questions are included in the book and online, providing a 2-in-1 approach to learning strategies and test-taking skills Increased focus on critical thinking uses different strategies to help you develop clinical judgment skills, and the ability to question data, and client abnormalities. Helpful Tips for the Nursing Student highlight the most important concepts needed for exam success. UNIQUE! Student-to-Student Hints highlight real life strategies that have helped other students graduate from nursing school and pass the NCLEX® exam. Practice questions coded for the beginning, intermediate, or experienced student, making this book a useful tool throughout your nursing school career. Clearly defined cognitive levels help if you are unfamiliar with this terminology and its significance. Coverage of Interprofessionalism discussed where appropriate throughout text. Priority concepts for each question help you to link your concept-based classes and NCLEX® prep. A fun, 4-color design features cartoons and bold designs to help engage visual learners. NEW! Clinical Judgment Situations and Next Generation NCLEX® (NGN) practice questions included on Evolve site let you apply strategies from the text in a realistic electronic testing environment.

The 4th Edition of this popular, easy-to-use guide delivers the practical, clinically oriented content you need to deliver safe and effective health care in hospital and home settings. Thoroughly revised and updated, you'll have access to even more of the commonly-used by rarely memorized clinical information that nurses and students need.

Nursing students have long asked for a book of questions and answers to complement the thorough science review found in The Princeton Review's Cracking the NCLEX-RN guides. Now with NCLEX-RN Q&A, they have the ideal practice aid to supplement their review. With hundreds of questions and worked-out solutions in each core clinical area, this guide is the ideal preparation tool for nurses preparing to take the licensure exam. Nurses and nurse scholars from all relevant specialty areas have collaborated in writing sample questions that precisely simulate the actual exam. Included is a special introductory section that provides an overview of the exam with: A breakdown of how many questions to expect on each subject Special, time-saving strategies for solving dosage problems Advice on how to answer delegation and management questions Techniques for taking the NCLEX-RN on a computer

Get the tools and skills you need to prepare for the NCLEX®! Often called the 'the best NCLEX® exam review book ever,' Saunders Comprehensive Review for the NCLEX-RN® Examination, 8th Edition has been thoroughly updated to reflect the most recent test plan. This new edition includes 5,200 NCLEX examination-style questions in the book and online. A companion Evolve website includes thousands of questions that allow you to decide how you want to practice! Don't make the mistake of assuming the quality of the questions is the same in all NCLEX exam review books, because only Silvestri includes the kinds of questions that consistently test the clinical judgment skills necessary to pass today's NCLEX exam. Even better, all answers include detailed rationales to help you learn from your answer choices and test-taking strategies with tips on how to best approach each question. Written by the most trusted name in NCLEX review, this is THE book of choice for NCLEX preparation. But don't just take our word for it — read any customer review or ask your classmates to see why there's nothing else like it! Over 5,200 practice questions in the text and online offer ample testing practice. 75-question comprehensive exam covers all content areas in the book in the same percentages that they are covered on the actual NCLEX-RN test plan. Inclusion of all alternate item format questions covers multiple response, prioritizing [ordered response], fill-in-the-blank, figure/illustration [hot spot], chart/exhibit, video, and audio questions to give students practice with mastering prioritizing, decision-making, and critical thinking skills. Presents introductory chapters on preparation guidance for the NCLEX-RN, nonacademic preparation, test-taking strategies, the CAT format, and the NCLEX-RN from a new graduate's experience. UNIQUE! Audio review summaries on pharmacology, fluids and electrolytes, and acid-base balance are found on the Evolve companion site. Expanded coverage of delegation, prioritization, and triage/disaster management in the practice questions reflect the areas of increased emphasis on the NCLEX exam. UNIQUE! A detailed test-taking strategy and rationale is included for each question, offering clues for analyzing and uncovering the correct answer option UNIQUE! Priority concepts call-outs highlight specific concepts related to nursing practice. Concepts have been updated to reflect the latest Giddens: Concepts for Nursing Practice text. UNIQUE! More Priority Nursing Action boxes communicate new and pertinent content. Question categories by cognitive level, client needs area, integrated process, and content area give you completely customizable exams or study sessions when using the companion Evolve site. UNIQUE! Pyramid Alert! boxes spotlight important nursing concepts and procedures, and include tips and shortcuts for remembering key information. Mnemonics included where appropriate throughout the text.

With more than 6,000 unique test questions that you won't find in Saunders Comprehensive Review for the NCLEX-RN® Examination, Saunders Q&A Review for the NCLEX-RN® Examination, 6th Edition provides the additional practice you need to prepare for and succeed on the NCLEX-RN exam! To enhance your review, each question includes a test-taking strategy, rationales for correct and incorrect answers, and page references to major nursing textbooks. The Evolve companion website adds a pre-test to help in identifying any areas of weakness, and lets you answer questions in study or exam mode. Written by the most trusted name in NCLEX exam review, Linda Anne Silvestri, this book organizes questions to match the Client Needs and Integrated Processes found in the most recent NCLEX-RN test plan. This review is part of the popular Saunders Pyramid to Success, which has helped more than 1.5 million nurses pass the NCLEX exam! Rationales are provided for both correct and incorrect answer options. A detailed test-taking strategy is included for each question, providing clues for analyzing and selecting the correct answer. All alternate item question types are represented, including multiple response, prioritizing/ordered response, fill-in-the-blank, illustration/hot spot, chart/exhibit questions, graphic option, and questions incorporating audio and video. Questions categorized by cognitive level, NCLEX® client needs area, integrated process, priority concepts, and clinical content area help you focus on the question types you find most difficult. A Priority Nursing Tip is included with each question, highlighting need-to-know patient care information. Page references to Elsevier nursing textbooks direct you to study and remediation material for any question answered incorrectly. Chapters organized by Client Needs simplify review and reflect the question mix in the NCLEX-RN test plan blueprint. An 85-question comprehensive exam represents the content and percentages of question types identified in the NCLEX-RN test plan. An Evolve companion website includes a pre-test to help in identifying any areas of weakness, and allows you to choose an area of study by content category and to answer questions in study or exam mode. Preparation guidance for the NCLEX-RN includes chapters on academic and nonacademic preparation, advice from a recent nursing graduate, and transitional issues for the foreign-educated nurse. NEW! Online and mobile updates will address the new NCLEX test plan to be released in April 2016. NEW! Content from the latest NCLEX-RN® test plan covers the newest topics you could

see on the exam. NEW! Additional practice questions in the book and on the Evolve companion website bring the total to over 6,000 test questions. NEW! Color-coded strategic words in each test-taking strategy refer you to content review and strategy discussions in the Silvestri Comprehensive Review for the NCLEX-RN and Strategies for Test Success products.
