"First published in the United States of America by Dutton Books, an imprint of Penguin Random House LLC, 2016"--Title page verso.

The searing novel of friendship and betrayal that inspired the USA Network series, praised by Gillian Flynn as "Lord of the Flies set in a high-school cheerleading squad...Tense, dark, and beautifully written." Addy Hanlon has always been Beth Cassidy's best friend and trusted lieutenant. Beth calls the shots and Addy carries them out, a long-established order of things that has brought them to the pinnacle of their high-school careers. Now they're seniors who rule the intensely competitive cheer squad, feared and followed by the other girls -- until the young new coach arrives. Cool and commanding, an emissary from the adult world just beyond their reach, Coach Colette French draws Addy and the other cheerleaders into her life. Only Beth, unsettled by the new regime, remains outside Coach's golden circle, waging a subtle but vicious campaign to regain her position as "top girl" -- both with the team and with Addy herself. Then a suicide focuses a police investigation on Coach and her squad. After the first wave of shock and grief, Addy tries to uncover the truth behind the death -- and learns that the boundary between loyalty and love can be dangerous terrain. The raw passions of girlhood are brought to life in this taut, unflinching exploration of friendship, ambition, and power. Award-winning novelist Megan Abbott, writing with what Tom Perrotta has hailed as "total authority and an almost desperate intensity," provides a harrowing glimpse into the dark heart of the all-American girl.

Bayport High's Varsity cheer squad is made up of the hottest of the hot. But this A-list is dangerous in more ways than one. The Squad is actually a cover for the most highly trained group of underage government operatives the United States has ever assembled. They have the perfect cover, because, beyond herkeys and highlights, no one expects anything from a cheerleader.

"I'm not saying this is Sawyer's fault," the prim and proper one said delicately. "But." Eighteen-year-old auto mechanic Sawyer Taft did not expect her estranged grandmother to show up at her apartment door and offer her a six-figure contract to participate in debutante season. And she definitely never imagined she would accept. But when she realizes that immersing herself in her grandmother's "society" might mean discovering the answer to the biggest mystery of her life-her father's identity-she signs on the dotted line and braces herself for a year of makeovers, big dresses, bigger egos, and a whole lot of bless your heart. The one thing she doesn't expect to find is friendship, but as she's drawn into a group of debutantes with scandalous, dangerous secrets of their own, Sawyer quickly discovers that her family isn't the only mainstay of high society with skeletons in their closet. There are people in her grandmother's glittering world who are not what they appear, and no one wants Sawyer poking her nose into the past. As she navigates the twisted relationships between her new friends and their powerful parents, Sawyer's search for the truth about her own origins is just the beginning. Set in the world of debutante balls, grand estates and rolling green hills, Little White Lies combines a charming setting, a classic fish-out-of-water story, and the sort of layered mystery only author Jennifer Lynn Barnes can pull off.

Most of all, Shade finds herself drawn to The Three Chloes—the insufferable trio that rules the squad—including the enigmatic cheer captain whose dark side is as compelling as it is alarming. Jadis won't give Shade up so easily, though, and the pull between her old best friend and her new teammates takes a toll on Shade as she tries to forge her own path. YA author Jenna Guillaume is back with a fun and modern feminist twist on the 1985 pop cult film Weird Science. But silly musings and kitchen antics with her best friend, Libby, have definitely taken a whimsical twist into something bigger than Katie could have ever daydreamed. Turns out the consequences of fumbling a human being into existence are rather complicated. More importantly, does Guy, the golden Adonis Katie's created, like her because he wants to, or because he has to? And will he be Katie's very first kiss? From the author of What I Like About Me comes a hilarious feminist twist on a classic narrative, loaded with laughs, mishaps, and plenty of 80s and 90s pop-culture callbacks. NATIONAL BESTSELLER • WINNER OF THE PULITZER PRIZE • A searing, post-apocalyptic novel about a father and son's fight to survive, this "tale of survival and the miracle of goodness only adds to McCarthy's stature as a living master. It's gripping, frightening and, ultimately, beautiful" (San Francisco Chronicle). A father and his son walk alone through burned America. Nothing moves in the ravaged landscape save the ash on the wind. It is cold enough to crack stones, and when the snow falls it is gray. The sky is dark. Their destination is the coast, although they don't know what, if anything, awaits them there. They have nothing; just a pistol to defend themselves against the lawless bands that stalk the road, the clothes they are wearing, a cart of scavenged food—and each other. The Road is the profoundly moving story of a journey. It boldly imagines a

future in which no hope remains, but in which the father and his son, "each the other's world entire," are sustained by love. Awesome in the totality of its vision, it is an unflinching meditation on the worst and the best that we are capable of: ultimate destructiveness, desperate tenacity, and the tenderness that keeps two people alive in the face of total devastation.

Tet, 1968. That was the Vietnam War's D Day, Battle of the Bulge, Iwo Jima, Crossing of the Rhine. In a series of battles in all parts of the country, condensed mostly in a three day span - although a few fights (Khe Sanh, Hue City) lasted longer - the Viet Cong were effectively destroyed as a fighting entity, and the North Vietnamese Army was severely damaged. Tet, 1968 was also when the United States lost the Vietnam War. In THE SQUAD one fourteen man US Marine Corps rifle squad led by Sergeant George Bingham is in a routine ambush outside a remote fire base in northern I Corps, close to the Demilitarized Zone between North and South Vietnam. This is the night before a scheduled cease fire for the Tet holiday; they don't expect any problems. When their fire base is unexpectedly hit by a superior force of North Vietnamese, the squad loses communication, and the Marines on the fire base are driven back. Unfortunately, the loss of communications means the squad doesn't get the word to pull out of their ambush and rejoin the rest of their company for the withdrawal. Their failure to rejoin their company leaves the other Marines thinking they were found and wiped out by the North Vietnamese. Morning finds the fourteen Marines not dead or even wounded, but alone deep behind North Vietnamese lines. Without knowing what's going on, or where friendly units are, Sergeant Bingham and his Marines must find a way to evade contact with the thousands of enemy soldiers, and reconnect with other Marines. Complicating matters, they started out with only enough supplies on the ambush to last overnight. Who are these Marines? How do they relate to each other? In order to tell their story properly, LtCol R. W. Thoreau, the fictional narrator whose After Action Reports and historical analysis are spread throughout the novel, begins the story on March 9, 1965, the day Bingham learns of the Marine landing at Da Nang, which was the beginning of the American ground war in Vietnam. Bingham drops out of college at the end of the term and enlists in the Marines. The members of this squad, as is the case in all squads, have strong friendships - as well as conflicts among the Marines.
